

LET'S RIDE

- An exclusive gay fraternal club founded in October 1964, we are the oldest bike riding organization for gay men in the USA.
- We ride year round, weather permitting. Our rides are often advertised and coordinated with other clubs to prevent conflicts among sanctioned AMCC events.
- Members are also prime practitioners of boot, biker and leather/denim aficionados.
- Annual ECMC Biker Weekend includes a bike blessing, organized route, and conclude with a catered picnic. Bikers come as far as Europe and does not costs anything to participate.
- Our Holiday Party & Toy Drive benefits a designated foster care organization. We have been continuously contributing this great cause for the past 30 years.
- Club meetings are held every month and are open to interested public. All interested parties are encouraged to attend to see the organizing efforts for upcoming events.
- Safe riding is what we strive for every club member. We refresh each rider the necessary hand signals prior to every ride.

Don't be left behind. Ask any ECMC officer about membership.

Empire City Motorcycle Club was founded in October 1964 by a group of twelve motorcyclists, almost five years prior to the Stonewall Riots, the starting point for gay rights movement in the U.S.

Since then, ECMC has been the longest ongoing gay, all-riding organization in the country and a vital part of the gay community in the New York Metro Area.

Members of other AMCC clubs often participate in our festivities. We will celebrate our 50 years of brotherhood, comraderie and riding in 2014.

Get exclusive access to participate in New York's annual LGBT Pride Parade. Traditionally, ECMC leads the male bikers.

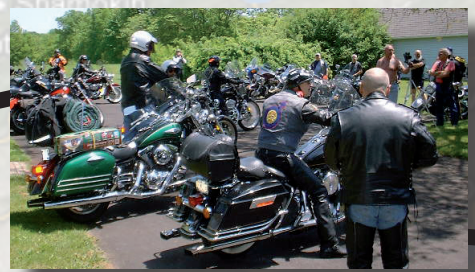

Participation in charity events are part of our community services.

Our members recently participated in Ronald McDonald House and Kiehl's amFAR Ride

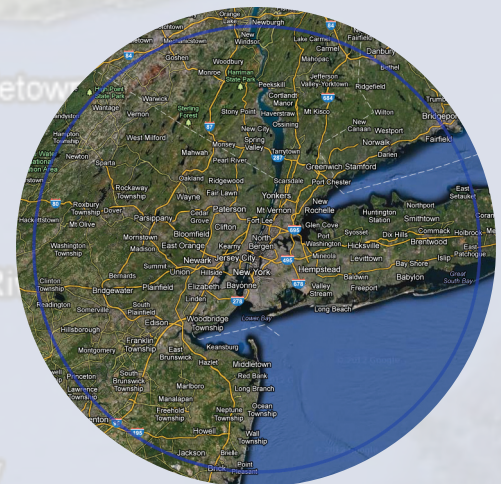

Come find yourself in the middle of the action. During off-riding season, we have bar nights following our monthly club meetings.

Our road trips encourage collaborative planning with other riding clubs. Pre-trip checks ensures everybody gets a refresher tips on formation riding and proper hand signaling.

Established in 1964, ECMC is a founding member of Atlantic Motorcycle Motor Club (AMCC).

All our current members reside within 50 miles from Columbus Circle in Manhattan.
