

### Motorcycle Weekend, Ohio Excursion & Pittsburgh Pride

If you're planning on attending any segments of this week-long adventure spanning from New York to Columbus and including stops in Harrisburg, Coal Centre, Cleveland and Pittsburgh – please get your Run Application submitted so we know how many to expect. This is important! If you didn't get it in last month's newsletter, please go to <a href="https://www.EmpireCityMC.com">www.EmpireCityMC.com</a> and download it from our website, fill in the main page (the one you sign) including ticking the boxes of which day(s) and night(s) you will be there.

All male motorcyclists are welcome to attend; however, without bring registered, we cannot promise you bed space; also, you'll miss out on personalised instructions on requirements you will need to complete (such as hotel reservations and meet-up addresses!)

#### **Great British Bear Bash 2024**

Every year on the Early May Bank Holiday (a U.K. holiday celebrated on the first Monday of May), hundreds of men descend upon Manchester, England, UK for the Great British Bear Bash.

This is an event created and operated by ManBears, Manchester's foremost bear group and features lots of fur,

food and frolic! Did I mention a sauna, sausage rolls and beer too? Come along next year, if you dare! These bears are HUNGRY!

#### **ShipMates Club of Baltimore 50th Anniversary**

The Baltimore Shipmates celebrated their 50<sup>th</sup> Anniversary last month at an in-town hotel run! Alcohol flowed all weekend long!

The Shipmates installed their new officers in a wonderful ceremony following an amazing dinner at The Pratt Street Ale House, just steps from the host hotel!

Added bonuses: Just behind the host hotel was the birthplace of Babe Ruth and also the amazing B&O Locomotive Museum with an actual working manual roundhouse!

#### **Below & Above Weekend Rides and Away Barnight**

7<sup>th</sup> & 8<sup>th</sup> September will be host to a special weekend with two rides and an event!

The Saturday, 7<sup>th</sup> September ride will be "**Below**", a trip from New York City to the Lackawanna Coal Mine Tour in Scranton, Pennsylvania.

If you'd like to go on the coal mine tour, it's only \$10. We will go down the 92m (300ft) descent down the slope in a train, taking 3-4 minutes, then walk about one half-mile, lasting one hour. The tour guide is a beefy Welsh man too!

If you prefer to not go down, you can wait for us on the surface in the museum where there's lots to see.

The Sunday, 8<sup>th</sup> September ride will be "**Above**", a trip to the Van Sant Airport in the mountains of Pennsylvania.

You can munch at the snack bar while watching all sorts of old-fashioned propeller planes and bi-wing planes take off, do stunts and land...

If you're daring, and you're under 91kg (200lbs), prices start at \$80 for a 20-minute ride! There are many options for one to three passengers, 20 to 60 minutes, different weight requirements and plane types all where you can book your flight in advance at:

#### https://vansantairport.com/ride\_prices.html

If booking a flight, we expect to arrive no later than noon on 8<sup>th</sup> September, and expect to be there until 15:30, or (if there are no more flight bookings), when everyone agrees to leave.

#### Wait... wait... what about Saturday night?

Well, I was saving that for last – also, because it's not all planned just yet...

We're considering hosting a join barnight with the men of Spartan MC in New Hope, Pennsylvania at a gay-friendly hotel!

No promises just yet – but perhaps by the next newsletter!

So save the weekend and expect some ear-popping experiences!

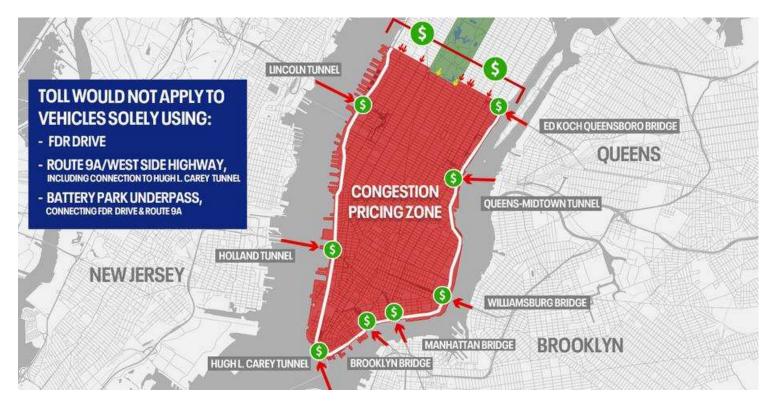

#### **Manhattan Congestion Pricing to Launch June 30th**

June 30. That's when car drivers will be charged an additional \$15 to enter Manhattan at 61<sup>st</sup> St and below, while trucks could be charged between \$24 and \$36, depending on size.

The long-awaited congestion pricing model set to make history in the United States will begin in New York City one second after 12 a.m. on the final Sunday in June, MTA officials announced. The date is two weeks later than the transit agency had initially targeted.

All 110 toll readers are installed, positioning the MTA to be ready to collect by June. Federal judges on either side of the river could delay the plans, but the MTA has said it expects those legal challenges to fail.

#### **ECMC Barnight in NYC / L.I. Memories Ride**

On Saturday, 6<sup>th</sup> July we're hoping to host a barnight in NYC. This is conceptual only at this point, but feeling good about that date – in addition, the next day, Sunday, 7<sup>th</sup> July we'll do a **Long Island** "Memories" Tour. What exactly is that? Old things!

We will start our trip with breakfast in an old Queens diner, "Blue Bay Diner"

Stop #1 is visiting **Glenn Hughes Grave** in Farmingdale, NY – we last visited on what would have been his 70<sup>th</sup> birthday in 2020.

Stop #2 is the Long Island Telephone Museum in Commack, NY

Stop #3 lunch and **20th Century Cycles** (the Billy Joel Garage) in Oyster Bay, NY

Stop #4 is our victory drink at **Ty's** in the West Village!
