The vice-president informed the Council that all three requestors had infinity point and there was a tie. Excelsior announced they would accept consideration for the 114th meeting. There was discussion concerning correspondence sent to the clubs by Entre Nous. The Long Island Ravens felt the letter referred to them and requested an apology. The President of Entre Nous made a statement. The Ravens accepted portions of the statement as the request apology and withdrew their request. The 114th meeting will be in London, March 17-19 at The Beefeaters Balls.

A motion to table failed for lack of a second. A friendly amendment by the Griffins to delay the assessment until the proposed budget is present was not agreed to by the sponsoring clubs. C. The Griffins comment that statement should also apply to the Chair. It was so noted by the chair.

D. Rodney commented concerning the summit. He was sure he stood along in taking exception to the handling of the summit. It was planned to be an AMCC event with th L.I. Ravens paying the cost of postage, not a Ravens weekend. He referred to passed minutes. The chair response: the minutes are not all inclusive. The Ravens volunteered their weekend to the council and to host the summit. There was no objection to the reporting of the progress of the summit in passed minutes. Rodney: The question is one of billing. He felt AMCC should have received top billing. End of discussion.

XI. On a motion by Centaurs MC (second by Empire City MC), the 111th meeting was Adjourned at 4:35 PM.

Respectfully submitted,

---
