VICE PRESIDENT:

-- As the schedule now shows the 135th meeting is to be held during Enforcers RI's Run on 04 August 2001 in Providence RI. In the event that the council decides to hold a spring meeting, the Stars MC have asked to host that meeting during their run 06-08 April, 2001.

--We also received a request from the ShipMates to host a meeting during their Run in Ramblewood, June 29 – July 01, 2001. The ShipMates request date was unfortunately within the 60 day limit of an existing scheduled run so it had to be rejected.

OLD BUSINESS

TORRID TUBER NOMINATIONS

--The President read the history of the Torrid Tuber and then reviewed the current nominations.

--Philadelphians MC nominated Potomac MC for their '2000 River Run also known as "Where the Hell is the charcoal?" with their in creditably late lunch due to missing charcoal and the awards ceremony that they held after everybody left town.

--Defenders NY nominated Centaur MC for the dinner fiasco during Olympia.

--Enforcers RI nominated Entre Nous for scheduling an After-Hours Cocktail Party and not telling anyone the location. Saying "Shamrock" did not help but the local Police Officers did.

Additional nominations.

--Knights Hawks of Virginia nominated Philadelphians MC for holding a registration in an unfinished Bath House and also for having continuous Drag events throughout their weekend. In addition, they ran out of fingernail polish remover.
