OLD BUSINESS

- Adds, Modifications and Deletions to the 2018 Sanctioned Calendar –
 1. September 15, 2018 - Iron Guard 43rd. Anniversary Dinner
 2. Three Rivers Leather Club withdrew their request for a sanction/hosting of AMCC meeting in 2018
- Tabled to the next meeting, and for vote, the change of the word “after” to reflect “which may include” in the Article 10, VI. F. Attendance Amendment to Article 10, VI. F. The change should read as follows – **“A member Club must attend in person at least one (1) meeting which may include the biennial election of officers and before the next biennial election or it automatically loses its right to vote until it does so.”** [The balance of this Article remains unchanged.]

The Buck MC raised questions and valid points that the original suggested wording change to the article could be misinterpreted if the suggested change were to precede and that a better new rewording would make effective exactly what change was meant and will do to the article. The delay in voting on this change to the for-mentioned article, will give clubs the time to examine the change before voting at the next meeting of the Council.

- Motion by BUCKS MC, seconded by DC Bears Club.

- A discussion by the Long Island Ravens regarding their award of their Sanction and award the 185th meeting took place.

NEW BUSINESS
