OLD BUSINESS

The President gave a short talk on the forms he had sent out to member clubs prior to the meeting. He asked that forms be returned to him as soon as possible.

The President directed the Secretary to write a letter to Fernando A. thanking him for the A.M.C.C. banner which he had made and presented to the Council. (See attached) The President also thanked Wheels M.C. for the raffle they held for the Council at Wheels 4. It was stated that a further raffle would be held during the S.M.C.L.A. Autumn Scrambles.

The Titans M.C.'s representative noted that they were having their run the week-end of October 20-22. In answer to a query from the Vikings M. C., the Titans stated their intent to utilize the date of July 4th week-end for a run.

Roy J. said that there was still a small amount of AMCC calenders available. Also, it was noted, that all Clubs should have their run dates available at the next meeting of the Council so the new calenders may be ordered.

NEW BUSINESS

Roy Jones suggested that all Clubs have the dates of next years runs at the Scrambles meeting. This in connection with

...ing the places for Council meetings in the coming year.

The Centaur M.C. announced they would have their Mothers Day Week-end run.

Dick Dwyer of the Titans asked if there were a limit, in terms of time -- how long should a Member Club know another club prior to sponsoring them for Council Membership. The Chair suggested that four months may be an appropriate time.

Sam Johnson made a motion that the present law allowing only one vote loss to a nominated club be changed to 2/3 majority. The motion was seconded.

The President noted that it will take 2/3 majority to change the article of agreement in reference to the above. The motion will be voted on at the next meeting.
