Bill Toye could not attend the meetings of the committee, but sent in a written recommendation]

Bob reported that the committee had met and had carefully considered all the proposals that had been submitted previously and the written recommendation of the Warriors and all comments that had been made by many other clubs. The final report thus reflected, to the best efforts of the committee, the combined thinking of all the clubs on the Council. The Secretary then read the report of the committee for the record. [It is included on a separate sheet.] There was a motion by the Thunderbolts and seconded by the Vikings to receive the report of the committee and to defer until the 66th meeting all debate and all voting. This motion passed without dissent.

[Representatives are hereby notified that the 100% poll required by Article IX has been met by this motion and receipt of a copy of the committee proposal enclosed with these minutes. These minutes also serve as a notice that a vote will be taken at the 66th meeting on these proposals in accordance with Article IX.]

Also, the same motion provided that clubs could give the Secretary names of persons no longer welcome on club events and those names would also be circulated privately to the clubs.

The President thanked the three TFM's for providing the wine at lunch: John Berkenstock, Bob McDonald, and John Lee.
The President thanked the Vikings for hosting this meeting.
