Wheels changed their dates to May 10-12 and announced that W-16 would be held at a new site in Parksville, NY. # ATLANTIC MOTORCYCLE COORDINATING COUNCIL

MOTION (ShipMates/Faucon) To grant sanction to the requests made at the 77th Meeting and to incorporate and sanction the changes and requests made at the 78th Meeting. PASSED

At this point, the President appointed the Pittsburgh MC and the Nine Plus as tellers and asked Peter Rapp and John Ryzinski to take the ballots for the 1985-87 AMCC officers and to open and tabulate the results.

The President called for a vote on the membership of the Pittsburgh MC in the AMCC.

MOTION (Iron Guard/Spuds) To delay the vote on the Pittsburgh MC until the 79th Meeting. FAILED

It was explained that some clubs did not know the Pittsburgh MC and wished additional time to make up their minds.

Ballots were distributed and were collected by the Vanguards and the Wildcats who acted as tellers. The Pittsburgh MC was elected to membership in the AMCC by the required 80% vote.

The ballots for AMCC office for 1985-87 having been tabulated, the President announced the results: (term April 5, 1985 to April 4, 1987)

President - Kevin Coughlin (Excelsior)  
Vice-President - Paul Rose (Spartan)  
Secretary - Roger McEnnis (Thunderbolts)  
Treasurer - Mike Feeney (Lost Angels)

#### NEW BUSINESS

The Spartan MC presented their addition to the Torrid Tuber. Instead of merely adding a patch to the "rube goldberg" collation, the Spartans presented the Council with a lucite case with wood base which held a mechanical doll, dressed as a belly dancer, holding the Spartan MC colors. When a button is pressed on the base that the doll is standing upon, the doll gyrates in a belly dance motion. Empire City, current proud holders of the Torrid Tuber, graciously accepted this addition on behalf of the AMCC and said they would take good care of it until it was time to select a new proud recipient.

The Iron Guard and the Long Island Spuds placed the Nine Plus Club of New York City in nomination for membership in the AMCC. The President read a letter from the Nine Plus requesting membership and stating that they met the requirements. A vote on the membership of Nine Plus will be taken at the 79th Meeting.
