Upon request of the President, the THUNDERBOLTS re-explained the project of:

A special cancer fund in which all member clubs would participate. This fund would help those stricken by AIDS in need of financial assistance.

On a motion by EXCELSIOR and seconded by the LONG ISLAND SPUDS, the motion is taken off the table and on the floor for discussion.

The SPARTAN mention that they commend the THUNDERBOLTS for having their heart in the right place, but mention that it is not the place of the AMCC to organise such a fund. They suggest to contact a local organisation for such a project.

The EXCELSIOR agree with the SPARTAN and mention that the geographic problems of such a fund would be insurmountable.

VI NEW BUSINESS

A. Site of the 87th meeting of the AMCC

Joe Marengo read the letters from the 4 clubs who have applied for the council meeting and are eligible

1- SHIPMATES	Keelhaul 87	July 2-5	Altland's Ranch
2- CENTAURS	Olympia X	July 24-26	Altland's Ranch
3- MC FAUCON	Contact 87	Aug. 28-Sept 4	Montreal Can.
4- VIKINGS	Leif Erikson 87	Sept 4-7	Merrimack N.H.

Joe read a second letter from MC FAUCON withdrawing their request for the benefit of the council.

EMPIRE CITY moved that the 87th meeting be held at Leif Erikson 87 Sept. 4-5-6-7 seconded by ENTRE-NOUS. Discussion was opened.

Kevin Coughlin takes the floor to mention that the joint arrangements between MC FAUCON and the VIKINGS were made in the spirit of Brotherhood. Awarding the meeting to one or the other of these 2 clubs, would negate the spirit of the agreements.

The VIKINGS mentioned that their event do not fall in the second calendar quarter and are this ineligible. This created a bit of confusion as to where this rule was taken from. The VIKINGS withdraw their request for the 87th meeting for the benefit of the council, in the spirit of Brotherhood

The SPARTAN moved seconded by WHEELS that the CENTAURS be exempted of any points for hosting the 85th meeting in January. This is based on the fact that they accepted to host the meeting upon request of the council.

The motion is passed

Of the 2 clubs remaining, Joe Marengo mentions that the CENTAURS have to most points since the January meeting doesn't count. On a motion by the LONG ISLAND SPUDS, seconded by the POCONO WARRIORS, the 87th meeting will be held at OLYMPIA X, July 24,25,26 at Atland's Ranch, York PA.

Roger McEnnis officially thanked MC FAUCON and the VIKINGS for their actions in the spirit of Brotherhood.
