IV. APPROVAL OF MINUTES: Minutes were read by Joe Sullivan, Secretary; following are corrections of the 97th Meeting Minutes:

III. The listing for Jerry Groman is incomplete; it should read "Jerry Groman, L'Amis D'etre Nous".

V-B. The date of the letter read by Ed Glaser should also be included, if only to establish the fact that it was received six weeks after the letter you (secretary) read.

VI-C-13. "Needs" should read "need".

VII. John Bonnage, Centaur MC requested that runs are

**ATLANTIC MOTORCYCLE COORDINATING COUNCIL**

not "sold out" until officially announced to that fact.

VII-B-4. This should be prefaced that upon a letter from the Vice President that it was his determination that P-town occurred too soon after Migration for the 98th Meeting, therefore the 98th Meeting of A.M.C.C. be held at the Philadelphians Tri-Cen Dec. 29 to Jan. 1.

I would like to thank Joe Laing for these corrections.  
Minutes accepted with corrections.

#### V. OFFICERS' REPORTS:

A. Treasurer: Gave financial report of A.M.C.C.; as of December 30, 1990, balance is \$666.97. Clubs not having paid their assessment from last year was only Nine Plus. Treasurer's Report accepted as presented.

B. Secretary: Correspondence read included a letter to SNC London about roster and officers. No response has been received as of meeting date. Also, letters from Hartford Colts and Entre Nous with new officers for 1991 and from Entre Nous on upcoming events in the Boston area and Equinox Run in Orlando.

C: Vice President: deferred until later in meeting.

#### VI. OLD BUSINESS:

1. Nine Plus - A registered letter was sent to Nine Plus (Lou Cabral) regarding non-participation; no response has been received. No action can be taken without two letters from A.M.C.C. Clubs requesting action. Club name to stay on A.M.C.C. roster; however, the Club is disenfranchise (no vote); there has been no verification of membership.

2. Companions - Frank Deninis had attempted to get interest in reviving the Companions; this was not successful; therefore will not pursue A.M.C.C. membership. Motion by L.I. Spuds to remove Companions Club from the A.M.C.C. roster, seconded by Philadelphians; motion carried. Companions Club will be dropped from roster and rolls of A.M.C.C.

3. Fair and Equitable Hosting - Ray Hard, Vice President, read a letter from Jack Walburn of the Hartford Colts (attached as part of minutes); much discussion of this letter. In effect, needs of individual Council members to plan their itineraries in advance and sometimes two to three months is not enough. .

Motion made by Entre Nous that 100th meeting be held during Hartford Colts 6th Anniversary, July 19-21; seconded by Hartford Colts; no additional discussion on motion. Vote was 8 for motion, no negative votes, 11 abstentions; motion carries.

The 100th Meeting of A.M.C.C. Council will be held during the Hartford Colts 6th Anniversary July 19 - 21, 1991.

Motion by Griffins, seconded by Hartford Colts, that beginning with the 99th meeting of A.M.C.C. Council, the Council will determine the date and site of the meeting following the next scheduled meeting; this would be precedent setting in that two meetings would be set up and the second meeting would be set at each subsequent meeting so that Council members know where the next two meetings will be held; no further discussion; vote is 8 for motion, 9 against and no abstentions; motion fails.

#### VII. NEW BUSINESS:

1. A motion by Entre Nous to amend the Articles of Agreement by adding the following: "Request for sanction dates must be filed with the A.M.C.C. Secretary not less than eight months nor more than twenty five months prior to the event. The request will be acted on at the Council meeting next following its receipt". There was no second; therefore the motion died.

2. Membership verification will be sent out during January; please, presidents, return the signed sheets with active and pledge membership for your club as soon as possible.

3. Sanctioned Calendar: A copy of the sanctioned calendar that was adopted at the 98th Meeting is made as a separate part of these minutes and is attached with an extra copy enclosed.

4. Nominations for the Torrid Tuber: nominations from the floor for the annual awarding of the Torrid Tuber were opened. A) Hartford Colts nominated Centaurs for Olympia-- "swimming pool from hell, food from hell's kitchen and directions--you can't get there from here. B) Entre Nous nominated Thunderbolts since they got the Torrid Tuber in such good condition; they want to keep it for an additional lamp. C) L.I. Spuds nominated Iron Guard for having a run and failing to show up. D) Pocono Warriors nominated the Griffins for suggesting one A.M.C.C. meeting annually at Leather Cocktails. E) Hartford Colts nominated Entre Nous for giving Provincetown Mr. Leather award to wrong individual.

Dear Ray,

On July 19, 20, and 21, 1991, the Hartford Colts will be celebrating their sixth anniversary. Anticipating that there will be no difficulties in getting Council sanction for our weekend event, the Hartford Colts MC would like to host a meeting of the AMCC and extend an invitation to the Council to meet at our run.

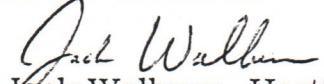

In extending this invitation, we would ask the Council to consider the need for balance between The Fair and Equitable Housing guidelines set forth in the Articles of Agreement, and the need for some routine or schedule for meetings, i.e. on a quarterly basis, or three times a year, etc. This is not to say that meetings should be the same time every year; rather that meetings should be spaced out over the course of year so we don't end up with meetings back to back or within two months of each other.

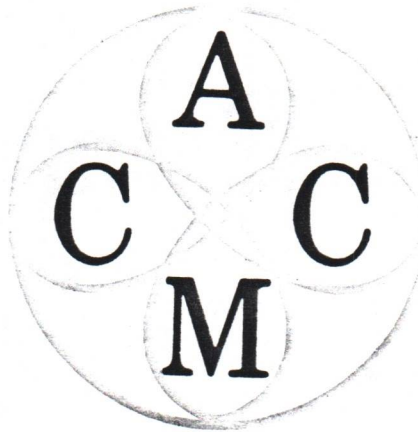

At the present time, it seems that the Fair and Equitable Housing "point system" is being used to determine when there will be a Council meeting, rather than just determining who will be the Host Club. Granted, I may be mistaken, but as I read the Fair and Equitable Housing guidelines, it appears to me that they were intended to determine the WHO rather than WHEN; that if the Council determined they would meet quarterly, Clubs wanting to host a meeting during that quarter would submit their invitations; and if there was more than one request, the Host would be selected using the Fair and Equitable Housing guidelines.

I think the benefits of advanced planning and coordination are self-evident; it would make it easier for all of us if Clubs desiring to host a meeting could extend their invitation to the Council on a more timely basis.

I would request that our invitation be brought to the floor of the December 1990 Council meeting. The Hartford Colts would count it an honor to be able to host the AMCC meeting, and we appreciate the Council's consideration.

In Brotherhood,

  
Jack Walburn, Hartford Colts MC AMCC Representative
