WELCOME TO THE HISTORIC CRANBERRY TRAIL!

The month of October is cranberry month! NJ is one of the largest cranberry producers in the United States and has a long storied tradition of harvest. We invite you to use this trail to discover the majesty of this little red berry!

Many of the locations on this postcard feature cranberry related products, including restaurants with seasonal cranberry recipes, markets with cranberry wines, baked goods, jams and jellies.

Each of the historic sites provide walking trails and opportunities to learn about the harvest of cranberries in the Garden State. This postcard is only a starting point, there is so much more to explore in the New Jersey Pine Barrens!

So tie up your laces and hit the road!
