Dear Executive Board,

I tender my resignation as a reserve member. I do this as I ask to be approved as a honorary associate member.

I became an associate member during the clubs 50th anniversary run. Then in November of 2015, I became a full member.

Until my extended illness, I completed all requirements required of me.

I start chemotherapy December 7th. My ability to travel is very limited. In reality, I would not be able to return to full membership.

I look forward to the membership approving my request to become a honorary associate member.

Sincerely,

Michael V. Matles
