Hey Chaz,

As I was searching the by-laws for Vice-President I noticed 2 small (what I think are) errors. I'm attaching a Word document with tracked changes. Basically it says "three-full member" as opposed to "three-full members" and where an Official Club Ride is defined it states an Official Club Event.

No biggies, but knowing you, you'd want it corrected.

c. The event must include at least one (1) member of the Executive Board and one (1) full members in good standing OR at least three (3) full member in good standing.

(ECMC encourages all of its members and friends to gather together socially as often as possible. There are no requirements that “meet-ups”, gatherings or correspondence promoting the event be “approved” by the Vice-President; however, it is the responsibility of the Vice-President to promptly take information pertaining to events provided to him by the general membership and determine, in his discretion, if the event should be on the club’s official calendar, as an “Official Club Event”.)

II. Official Club Ride: An “Official Club EventRide” is an organized -riding activity, approved of or planned by the Road Captain. In order for ride to be considered an “Official Club Ride” for the purpose of fulfilling participation requirements, it must:

a. The ride must be posted on ECMC’s official calendar no less than fortyeight (48) hours before the ride is to take place.

b. Information about the ride must be communicated (i.e. telephone, email, text message etc.) to all full and associate members in good with no less than forty-eight (48) hours advanced notice.
