Dear Paul and Jim,

The eight Empire City M/C members and friends who had the pleasure of visiting your home last Sunday would like to thank you sincerely for the hospitality extended.

It was indeed a delight sitting on your sundeck enjoying the view of Lake Hopatcong and playing in the pool. The meal and refreshments were most welcome upon our arrival, after a delightful bike ride through the New Jersey country side.

We enjoyed socializing with you and the other guests. It truly was a Sunday well spent.

Sincerely,

EMPIRE CITY MOTORCYCLE CLUB

Emil Solis, Corresponding Secy.
