Dear Chaz,

Still rummaging around old papers, I found some additional ECMC papers which you should have!

Various club papers, and, most of all, a copy of THE BOLT, issued by the Thunderbolts M.C. of Connecticut. Probably don't exist any more. My apologies.

But this issue has a review and pictures of ECMC'S THE FIRST EMPIRE, too important, not to be tossed out.

Thanks for your work.

Stay well + happy!

Sincerely,

Emil

Dear Chaz:

Hope you are ok during this awful Pandemic! Not yet over, worse though still.

I'm sending you some more papers, not included with the box from last week.

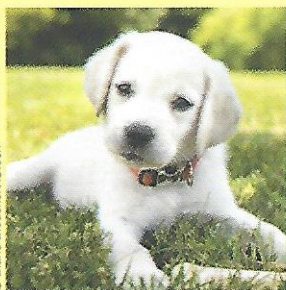

These are mostly from when I was Pres., 1975, and the early 90's when Treas. + Secy-

Wonderful run we had in 1975, Club's 10th ANIV. in Tannersville, N.Y. Great place for a run.

Many thanks for all you do.

Sincerely,

Emil
