Emil,

Please accept this as my resignation  
from Empire City M.C. effective today.

Personal reasons dictate that I do so.

The time I have spent in the club  
has been extremely pleasant and I  
wish the best of luck to all.

Bob Schaper

Later

Bob moved to  
San Francisco

as did several other  
members over the years.

Had no further contact  
from any of them!
