WALK TO RUN SITE

Whether coming from North or South, take the New York State Thruway to Exit 20

(Motorcyclists:- Garden State Parkway in New Jersey is OFF LIMITS to you)

At Exit 20, take ROUTE 32 NORTH for about 5 or 6 miles, when you'll come to an intersection or fork (watch for signs reading Hunter or Tannersville). Turn LEFT into ROUTE 32A and go for about 2 miles

When you come to the traffic light in Palenville (it's the only one), turn left into ROUTE 23A (again, follow signs reading Hunter or Tannersville)

Route 23A runs for about 4 miles through Catskill Park. Be very careful in this area - road climbs upward, there are many hairpin turns - even though it is paved with a stripe down the middle. Road has guard rails even though you will be traveling on the mountain's side for the most part.

After you leave the park, the road straightens out. Continue for about 6 miles when you will come to another traffic light in Tannersville (it's the only one after the one in Palenville).

Turn LEFT at traffic light, continue for about 500 ft. past a gas station on the right and just over a narrow bridge.

At the bridge, continue for another 200 ft. or so, take the very next LEFT TURN, past a warehouse and up a hill for another 100 ft. and you will be at TYROL HAUS.
