

ATTACHMENT A

THUNDERBOLT M.C. 1984 RIDE SCHEDULE

May 20 - Third Sunday

Meet at Marcus Dairy at 11:00 a.m. and go for a ride to somewhere and back. This ride will be mainly a refresher in hand-signalling and group riding. Everyone is urged to attend and take this ride. It is open to club members, associates, and all crashers.

June 16 - Third Saturday

This ride is in conjunction with our anniversary. It will be a morning ride ending in time to prepare for Saturday night banquet, etc.

July 15 - Third Sunday

A one-day ride to Essex, CT, for a train ride and later ferry ride across the Connecticut river to Gillette Castle. The club will have a meeting at this time, followed by a picnic.

August 12 - Second Sunday

A one-day ride to Rheinbeck, NY, to the Aero Drome show. There is a charge for this show (\$5.00 last year), and it lasts most of the afternoon, and very well worth it. Again, the club will have a meeting and picnic.

September 15 - Third Saturday

Leaving early on this Saturday, we will ride to Philadelphia for a bar night at the Bike Stop or similar bar, and stay over. Return on Sunday. A run chairman will be appointed for the weekend, who will arrange housing arrangements.

October 5, 6, 7, 8 - Friday, Saturday, Sunday, Monday

There will be no fall foliage ride this year. Rather, those of us that wish, will participate with Empire City on this their anniversary weekend.
