

Empire City Motorcycle Club
20th Anniversary Celebration

General Information

Our club is celebrating 20 years of biking together with a year long schedule of events, all of which are planned to give our members and you, our club brothers and G.D.I.'s a hot time that will guarantee a year of great memories.

We are the oldest gay motorcycle club on the east coast and many of our members have gone on to form and join other clubs throughout the nation.

Our current membership, some of whom are charter members, wants to share with you our happiness in making it through 20 years of motorcycling. Following is our schedule of events and events we will be attending. Please mark your club and personal calendar so that you can join in the fun.

We are aware that some clubs may have traditional dates during our schedule and for any conflict we apologize. We hope that with this advance and formal invitation most clubs will be able to resolve schedules.

Beginning and ending in N.Y.C.; a great trip for those who want to bike with a HOT group of men. Join in for the whole tour, just part, or just a day ride. Details, map and schedule to follow.

The Run and Celebration: October 5,6,7, and 8th.

20TH ANNIVERSARY MOTORCYCLE TOUR REPORT

Wilmington, N. C. to Savannah, Ga.	11 motorcycles

Savannah, Ga. to Gettysburg, Pa.	10 motorcycles
	1 automobile
Gettysburg, Pa. to New York City/Connecticut	9 motorcycles
	1 automobile

Dan's motorcycle was damaged in his garage the morning of our departure from New York City forcing him to join the tour in Chincoteague, Va. after repairs were completed.

George's tour pack problems precluded his having his motorcycle on the tour at all. Fortunately, he was able to join us in Nag's Head, N. C. with his car. He became our Transport Officer for the rest of the tour - an automobile becoming a welcome addition to the trip.

All in all, motorcycle difficulties did not hold up the tour. We kept to the schedule as planned without sacrificing our enjoyment. Any extra travel for bike maintenance just added to the whole.

Basically, any difficulties we encountered were minor in relation to the number of motorcycles and the miles travelled.

Tour length: 14 days

Approximate miles (excluding side trips): 2300 miles
