November 5, 1990

Mr. David Masters
Bucks Motorcycle Club
370 Church Lane
Philadelphia, PA 19144

Dear Mr. Masters:

As the holiday season approaches, our Agency looks back on 1990 and the "good" we were able to do because of the generosity of your members. Caseworkers depend on the availability of your charity to cover emergencies and situations when no other resources are available. The examples are many. It may be putting a homeless person in a motel until we can find more suitable housing; getting heating oil for an elderly client, helping to pay for needed and expensive medications, providing an assistive device to help keep someone stay at home. A report of how your gift was spent is enclosed.

This year, for the first time, the Agency has a waiting list of more than a hundred persons who are at home and need personal care and home helps. Many are very old, living alone, with no family or distant relatives and are trying to make it despite chronic illness and higher costs of living. We sincerely hope that you will again be successful in raising funds to help our neediest clients.

The Bucks Motorcycle Club has been, for many years, a loyal supporter of our efforts and a blessing to the people who have been helped through your giving. We look forward to this continued partnership and thank you sincerely for all your help.

Very truly yours,

Peggy O'Neill
Peggy O'Neill
Director

Bucks County AIDS Network

P.O. Box 242, Jamison, PA 18929

TO: Bucks County Motorcycle Club
FROM: Bucks County AIDS Network
DATE: November 20, 1990

The Bucks County AIDS Network is a volunteer, non-profit, tax exempt organization whose goals include:

- Δ to serve as a formal source of information and referral regarding those services available in Bucks County for persons with AIDS-related concerns.
- Δ to identify unmet needs and to advocate for comprehensive, accessible services for persons who are HIV positive anti-body or who have AIDS.

The needs of the HIV population are many, including: financial, housing, and emergency funds as well as on-going medical care. The monies contributed from the Bucks County Motorcycle Club fund raising activities will go into emergency funding to help meet these needs.

HIV infection and AIDS will continue to challenge us greatly in the months and years to come.

Your donations will help the Bucks County AIDS Network provide compassionate comprehensive care for people affected by this illness.

I wish to thank you all for your overwhelming support of our efforts.

Sincerely,
Peg Van Arsdale
