Empire City Motorcycle Club was founded in October of 1964 and is a Not-for-Profit Corporation in the State of New York. It is the oldest ongoing gay organization east of the Rockies. Its members are male owner/operators of motorcycles and is currently comprised of 15 members and 2 pledges. At its first public Christmas Party in 1966, the Club began collecting toys for tots. This focus was narrowed in 1987 to respond to the needs of HIV-infected children.
