Empire City Motorcycle Club was founded in October of 1964 and is a Not-for-Profit Corporation in the State of New York. It is the oldest ongoing gay organization east of the Rockies. Its members are male owner/operators of motorcycles and is currently comprised of 16 members and 2 pledges. At its first public Christmas Party in 1966, the Club began collecting toys for tots. This focus was narrowed in 1987 to respond to the needs of children with AIDS.

Your Gift is greatly appreciated.

Leake and Watts Services is almost 170 years old and provide services to over 2,500 families in 1996. **The Specialized Foster Care Program** had over 180 HIV-infected children being taken care of by nuturing families.
