Empire City Motorcycle Club was founded in October of 1964 and is a Not-for-Profit Corporation in the State of New York. It is the oldest on going gay organization east of the Rockies. Our members are male owner/operators of motorcycles. We currently are comprised of 21 members and a pledge. At its first public Christmas Party in 1966, the Club began collecting toys for tots. This focus was narrowed in 1987 to respond to the needs of children with AIDS, and now includes other medically challenged children.

*Your Gifts Are Greatly Appreciated*

Leake and Watts Services is almost 190 years old and provided services to over 2,000 children and families in 2003. Last year there were approximately 450 children in foster care. The Foster Care Department has HIV infected, medically challenged, and children in therapeutic care assigned to nurturing families.
