*The Council of the City of the New York is proud to honor the Empire City Motorcycle Club, on the occasion of its 45th Anniversary, for fostering great community spirit through motorcycling, safety and brotherhood; and*

*WHEREAS: The Empire City Motorcycle Club, Inc. of New York City was founded by twelve motorcycle riders in October 1964—five years before Stonewall—as a motorcycle owner/rider club. Today, it is the oldest ongoing gay all-riding organization in the country and a vital part of the gay community in New York metropolitan area; and*

*WHEREAS: The Empire City Motorcycle Club actively promotes both the sport of motorcycling and brotherhood in our community through a wide range of events. Two of the two major events in its annual social calendar include the Bikers' Picnic, held annually since 1969 around Memorial Day, and its Christmas Party, held annually since 1964; and*

*WHEREAS: The Empire City Motorcycle Club's Christmas Party is a special event designed to celebrate the joy of the holiday season and to share that joy in the form of a "Toys for Tots" drive for the Leake and Watts Specialized Foster Care Program; and*

*WHEREAS: The Empire City Motorcycle Club has demonstrated its unwavering commitment to safety through the sponsorship and participation in Motorcycle Safety Foundation rider training programs. Its ongoing efforts promote safer ridings through increased skills and knowledge about motorcycles, proper gear, potential hazards, and more; and*

*WHEREAS: In addition to educating safer riding, the Empire City Motorcycle Club provides a wonderful resource for the gay community to share their love for motorcycles. Someone once said that "Four wheels move the body. Two wheels move the soul." The Empire City Motorcycle Club has nourished that soulful passion in New York and we wish it continued success; now, therefore*
