Largest Function Information - Type	Meeting
Largest Function Information - Number of Attendees	35
Largest Function Information - Setup	Classroom

**Your RFP will be sent to:**

Largest Function Information - Food, Beverage and Comments: None needed

Maximum Breakouts

Will you be considering hosting an on-site event during your meeting? No

Short activity/event as an icebreaker or during a break.  
(10-20 minutes in duration)

One hour project for teambuilding or networking.  
(60 minutes in duration)

Welcome Reception or Evening Event  
(Several hours in duration)

Other/Please include a brief description of your on-site event needs.

**Step 5 - Comment (optional)**

Our organization is celebrating our 50th Anniversary this year.

We plan to host about 100 guests, requiring about 45 rooms

We expect our guests to book and pay directly with you from our reservation block

We require a private suite without beds as a 'hospitality suite' to greet and provide information throughout the weekend.

We also need a meeting room for 11am-1pm for 35 people, catering to be discussed.

The majority of our guests are retired, so low cost is very important for a successful event.

We are a tax-exempt, charitable organization.

Sincerely,  
Chaz Antonelli, Secretary  
Empire City MC
