GAY PRIDE
2021

There's a lot going on with ECMC, here's a quick run-down of Pride Week and more!

- **June 18th from 6pm: Bike Blessing at Ty's**
- **June 19th: ECMC's 57th Annual Biker Picnic**
- **June 27th: Gay Pride March Ride***
- **July 23rd-25th: Steam Train Ride**

* Read the fine print about Gay Pride March here:

At this time, there are a number of possibilities for the Gay Pride March, in fact, there are so many plans and so much confusion as to which parades will take place?, will there be motorcycles in the parade?, etc. We cannot ascertain what our plan for the event shall be at this moment in time, other than saying that we will do something – either a ride around NYC or a pride march of our very own down 5th Ave or up 6th Ave!

Come with your motorcycle to Skylight Diner, 402 W 34th St (at 9th Ave) on 27th June at 10am for a small Dutch-treat breakfast and discussion/direction from our Road Captain as to what the plan shall be. Kickstands-Up at 11:00 AM sharp to head to wherever we choose. The Sirens MC may be riding with us! Be there for GAY BIKER PRIDE!
