SUBJECT: ECMC mission statement

FROM:

A handwritten signature in black ink, appearing to be 'J.P.' or similar, written over a circular scribble.

TO: Committee members

DATE: October 15, 1992

Attached are copies of correspondence and mission statement sent by the Spartans to people attending their events. I'd like to use this as an example but not, of course, verbatim. Let's try to:

Establish important dates for a brief history of the club,

Identify key achievements of the club and/or its membership,

Expand on statement of purpose in Constitution to include ongoing activities and annual events.

The older members will be able to provide us with some of the historical perspective.

Mission Statement Committee:

Due to the nature of this work, the committee would like to expand the project to include the development of an oral history of ECMC.
