

21
MINUTES OF NOVEMBER 12, 1992: SECOND MEETING OF THE ECMC XXX
ANNIVERSARY YEAR COMMITTEE

Objective/Purpose Of Meeting:

To establish a skeleton outline of concepts and ideas around which to build the Thirtieth Anniversary Year(XXX) celebrations.

Meeting Attendees:

J. Arnold, R. Browne, J. Newhard, J. Reyes, D. MaGee(for part of meeting)

Meeting Highlights:

The Committee decided to recommend a series of events to be held through out the anniversary year. These include, but need not be limited to, the following:

- Christmas Party December , 1993
- Bike Christening/ Biker's Picnic Memorial Weekend 1994
- Tour July and/or August 1994
- Weekend Run September 1994
- Other One Day Events (Dates to be determined) including:
 - Theater Night
 - Historic Poker Run/Walk?
 - Amusement Park Trip
 - Others(suggestions and sponsors welcomed)

o Christmas Party

- Goal is to make it a larger event with 150 to 250 people;
- To be held in a different location (Hall, Church space etc.) and suggestions are welcomed;
- Similar as now, with hired cook and club members doing what needs to be done;
- The change in location will allow for a larger and longer event and the possibility of entertainment. This may include inviting various Clubs and individuals to a Command Performance and ending with a dance;
- Ideas and suggestions welcomed. Volunteers needed for a committee to plan and organize this first of the XXX Year Events.

o Bike Christening/Biker's Pinch

- Goal is to leave well enough alone in the time honored premise that if it works why fit it!
- Note that the target dates fall on Memorial weekend. We all seem to know what to do on this event so the planning and scope will follow previous year's routine.

o Tour

- The goal is to put together a tour package of between 7 and 9 days at a reasonable cost;
- Target dates are in late July or August and should and, if possible, include 2 weekends. Club should set dates dependent on the availability of most members;
- The concept would be similar to the Empire State Tour ~~XXX~~, for example;
 - All breakfasts and a number of dinners are to be included with one dinner to be "Special";
 - Various alternative tours to be made available which should

- include a broad array of interest, but with the motorcycle ride getting there being a highlight;
 - Target geographic destination is the Adirondacks;
 - To meet a central location, need Newburg for example, and then travel in groups and with choices of routes to a motel or (preferred) cabins out of which the rest of the tour will be conducted.
 - Suggestions welcomed as are volunteers to form Tour Committee.
- o **XXX Weekend Run**
- Goal is to have a weekend run with the aim of attracting 100 to 200 people;
 - The most problematic due to setting a non-conflicting date;
 - Traditional October date (Columbus Day weekend) is considered not a good period as climatic conditions do not favor motorcycles; September is to be investigated with the Labor Day weekend preferred. However, conflicts with other Clubs will be avoided. Discussions will begin after the December 2, 1992 ECMC meeting, should the Club agree. These discussions will start with the Centaurs and Griffins.
 - Location will depend on date and size of Run, with the sites mentioned including Valinor Farms, the Keelhaul site, and the Olympic site. Other considerations on site location are;
 - central to both northern and southern clubs;
 - accommodations available.
 - Suggestions are welcomed and a blue ribbon committee made up of volunteers from members experienced with such events is to be formed.
- o **Other One Day Events**
- Goal is both to celebrate the XXX Year and to generate interest and participants for the various weekend events being held through the year;
 - Will not be additional events, but as part of our month ride schedule;
 - Ideas already suggested include, for example, Charles's intown poker run built around the historic sites of New York. Others include, a theater night and a day trip to an amusement park;
 - Events will be actively advertised and opened to non members and in some cases to non motorcyclist. Suggestions also include having some of these events as fund raisers;
 - How can we tie-in or should there be a tie-in with such other high visibility events as the Stonewall's 20th Anniversary, the Gay Games, or the march?

Lastly, the Committee feels that an essential factor in the success of the XXX Anniversary Year will be the active participation of all ECMC members. There is a great deal of planning, research, and organizing that needs to be done, in fact so much needs to be done that all members will find that their contribution will be welcomed. There is also diversity in the work that needs to be done and everyone's talents and expertise can be put to use. So together let us all endeavor to make this significant milestone in the history of Empire City a successful and enjoyable year.

Defining Cartoons by the Gay Vargas

By JANET MASLIN

Tom of Finland is a household name in households well-equipped with biker gear and leather regalia. And "Daddy and the Muscle Academy," a documentary by the Finnish film maker Ilpo Pohjola, attests to the dedication of Tom's fans. As a legendary purveyor of gay erotica, one whose work (in the words of one interviewee heard here) is "almost a blueprint for the appearance of gay men in the latter part of the 20th century," Tom exerted a palpable influence on both fashion and fantasy. This 55-minute film, opening today at the Film Forum, tries to explain why.

The film spends most of its time studying Tom's drawings, analyzing the elements of Tom's mystique. The explicit nature of his art made it imperative that Tom, who died last year at the age of 71, work under a pseudonym, as he did. ("The sad thing about the name is that I don't represent Finland," says Tom, who appears here mostly as a talking head. "It's a more personal thing.")

From his early Norman Rockwell period, in which he favored images, like a smiling youth dancing with a rosy-cheeked sailor, Tom moved on toward the idealized erotic images for which he is best known. Friendly, muscular, wasp-waisted men share many forms of sex and companionship, always in a spirit of affectionate ease. The film presents hundreds of these drawings, each more acrobatically and anatomically miraculous than the last.

Beyond providing a showcase for Tom's trademark-worthy version of the pinup, a sort of pornographic gay equivalent of the Vargas girl, Mr. Pohjola attempts some minor analysis. It is pointed out that Tom's men favor boots, sideburns, mustaches and motorcycle caps; it is noted that they often smile engagingly even when busy with the strenuous business of group sex. It is observed, most provocatively, that Tom's fascination with military and particularly fascist iconography (swastikas appear in some of his work) becomes an effort to sexualize images of power. But this thought is not seriously pursued. The film's analytical and biographical aspects are regrettably shallow and are easily overshadowed by the raw specifics of Tom's erotic art.

Least successful when he attempts to provide a context for this retrospective, Mr. Pohjola resorts to overlapping conversations, shadowy scenes of men stroking and oiling

Daddy and the Muscle Academy

Written and directed by Ilpo Pohjola, (in English and Finnish with English subtitles); director of photography, Kjell Lagerroos; produced by Kari Paljakka and Alvaro Pardo. At Film Forum 1, 209 West Houston Street, South Village. Running time: 55 minutes. This film has no rating.

Time Expired

Written, directed and edited by Danny Leiner; director of photography, Randy Drummond; produced by Whitney Ransick; released by Zeitgeist Films. At Film Forum 1, 209 West Houston Street, South Village. Running time: 29 minutes. This film has no rating.

well-muscled bodies, glibly redundant titles ("Tom's Uniforms," "Tom's Gestures," "Tom's Name," etc.) and miscellaneous fashion statements. "I dress like this because I know I feel good in it, and I look good in it," says a man who likes leather. Naturally, Madonna is also mentioned, though only in passing. ("No matter how hard I try, I can't make them appealing," Tom says about

trying to draw women.)

The film is at its most myopic in allowing one of Tom's business associates to talk of cataloguing his drawings and setting up a Tom of Finland museum. There are also anonymous cries of "I am a Tom's man!" and glimpses of a badge featuring Tom's insignia, a penis with wings. Tom's fans know who they are and may share this documentary's adulatory outlook. For other viewers, the film maker's approach is too limited to cast much light.

On the same bill is Danny Leiner's "Time Expired," a lively 29-minute short about a married man with serious roommate problems. When Bobby (Bob Gosse) leaves jail and returns home to his wife and mother, he is followed by a spitfire named Ruby, who was his cellmate and still wants to be the woman in his life. "We consummated," Ruby proudly announces to Bobby's wife, Ginny (Eddie Falco), once the inevitable domestic quarrel is under way.

As Ruby, John Leguizamo sports varied wigs and bright red fingernails, stamping fearlessly into the life of an ex-lover and refusing to take no for an answer. Mr. Leguizamo, the star of "Mambo Mouth" and "Spic-o-Rama," further proves his comic versatility. And Mr. Leiner makes the most of his characters' understandable malaise.

I hereby submit a proposed amendment to the Empire City Motorcycle Club's Constitution and Bylaws[as revised July 1982], Article III - Meetings: subsection 1. Regular Meetings:, second sentence. This proposed amendment would change the existing sentence which reads:

"In the event a meeting falls on a legal holiday, an

alternative date may be designated."

to the following:

"In the event a meeting falls on a legal holiday, or
should it be deemed, by a majority vote, that a special
situation exist, an alternative date for that particular
meeting may be designated."
