Empire City Motorcycle Club Mission Statement

Empire City Motorcycle Club, Inc. of New York City, N.Y. was founded by a group of twelve motorcycle riders in October, 1964 as a motorcycle owner/rider club. It is the oldest ongoing gay organization east of the Rockies and continues to be a vital part of the gay community in the New York Metropolitan area.

Club events actively promote both the sport of motorcycling and brotherhood in our community. Group rides, scheduled throughout the riding season, provide the opportunity to explore regional riding venues and to enjoy the camaraderie of the group experience. Social events are held to both bring the members of the organization closer together and to help others to get to know the membership.

As part of the ongoing commitment to safety, Empire City Motorcycle Club has sponsored and participated in Motorcycle Safety Foundation rider training programs. Our group rides, led by our Road Captain, always emphasize safe group riding techniques.

There are two major events on Empire City's annual social calendar: the Bikers' Picnic and the Christmas Party. The Bikers' Picnic, held annually since 1969 around Memorial Day, is open to all motorcycle operators and their buddy riders free of charge to the participants as Empire City's gift to its friends and supporters. In recent years, the evening before the Bikers' Picnic has been designated as the Bike Christening/Blessing where we call on a Higher Power to watch over riders and machines. Our Christmas Party, an annual event since 1964, is an event designed to celebrate the joy of the holiday season and to share that joy in the form of a "*Toys for Tots*" drive for local charities. In addition to the annual events, Empire City has presented the First Empire, its first run, and celebrations of the fifteenth, twentieth and twenty fifth anniversaries that included motorcycle tours of the Eastern seaboard and of New York State.

Current membership includes charter members who have been involved since the formation of the organization. Former Empire City members went on to found Commanders M.C., Cycle M.C., Wheels M.C. and Nova M.C.

Membership requirements are ownership of a legally registered and insured motorcycle and possession of a valid drivers' license with appropriate motorcycle endorsement. Men interested in membership must be sponsored by two members in good standing.

EXECUTIVE COMMITTEE MEETING - 2/17/93 - 8:00 p.m.

President Jeff Arnold called the meeting to order and began with defining the role of each officer present.

Jose stated that he has asked Dan M. to work with him as an assistant. Dan would be working with him in some of the early planning for our up-coming 30th anniversary as well as assist with some of our rides for the coming year. Dan brings a great deal of expertise and experience in planning such special events and his input is greatly appreciated.

The corresponding secretary agreed to contact Charlie or someone with a mail box key in the event that he can not pick up the mail for a meeting.

An inventory of club assets is underway. Forms have been mailed out to the membership for them to list such club items as they may have in their possession. These forms are due to be returned in March.

Jeff wishes to compile a list of rules or voted guidelines that appear in our minutes over the past years. Jose proposed a special weekend social type of get together for the purpose of doing a review and compilation of all old minutes so as to have all our bookkeeping in order for our anniversary year. This was considered to be a good idea and will be proposed to the club as a whole.

The meeting ended at 8:25 p.m.
