EMPIRE CITY'S BIKERS' PICNIC

by Louis B.

On Memorial Day weekend, while some of our more urban, crowd oriented, Centaurs went to Chicago, a group of us attended Empire City MC's 29th Bikers' Picnic.

Centaurs Billy, Louis, and Chuck left early on Saturday, May 28 for Bucks County, PA accompanied by COMMAND's former president Gene Tracy, who apparently had a very delightful night on Friday, left on his own Saturday afternoon.

The weather was absolutely spectacular the entire weekend; considering the last four years of rain and/or cold weather. The ride up to Valinor farms was incredible. The hills, small towns, Amish farm houses, and general scenery between Route 1 and Lancaster are incredibly beautiful. I managed not to take a wrong turn until Lancaster. I will add, that was the only wrong turn on the whole 183 miles up to Keith's.

Saturday, we were treated to a very nice lunch. Most of the 97 bikers, plus a few buddies, laid around the pool, played volleyball, and spent time renewing acquaintances and talking to friends. In the evening, Empire City pinned all those attending with their 30th anniversary pin. Louis and Chuck proceeded to congratulate Empire City on their Anniversary, and presented them with the official Centaur Revere anniversary bowl. It was greatly appreciated.

Sunday, we were all treated to a breathtaking, spectacular bike ride throughout several Pennsylvania and New Jersey rural counties. Pennsylvania has some of the prettiest scenery in the country! A wonderful picnic was provided for us at José Reyes estate. José now lives on top of a hill where, on a clear day, you can see forever. It is surrounded by several acres of woods. Everyone in attendance really hoped that this picnic - within - a - picnic can become a permanent part of the weekend.

On our return to Valinor Farms, the Spartans treated all guests to their first -and if we may believe Paul- high tea. Tea (hot and cold), biscuits and watercress sandwiches were served by our Spartan friends. After that, dinner and partying.

Monday morning, breakfast, provided by the Spartans, farewells and see you again.

Bikers' Picnic is probably the oldest continuous gay bikers run on the East Coast. It remains true to its roots; a relaxed weekend for bikers and their buddies, where one can mingle with friends, make new ones and talk bikes for several days. All of this, provided by Empire City, the host, at no cost to those wishing to participate. For all of those attending: thank you and see you next year.

ShipMates' 20th Anniversary Weekend

by Bailey W.

On April 8-10, 1994, a delegation of Centaurs attended the ShipMates' 20th Anniversary weekend in Baltimore. It turned out to be an interesting adventure for all of us. After the usual merriment at the Baltimore Eagle on Friday night to get everyone in the mood, and the usual slow start on Saturday morning, things started getting exciting. Some went on the trolley tour of Baltimore; a few others ventured to the wilds of Glen Burnie to find the Dragon Moon Tattoo Studio. Jim W. finally got his custom Jabberwocky (isn't that on backwards?) and Bailey W. got his tribal tattoo (now all he needs is an arm for it!), while Hugh Gage chatted up the Annapolis midshipmen, working up the courage to get tattooed.

The anniversary banquet on Saturday night was a great celebration of the ShipMates' twenty years. Centaur highlights included the presentation of an engraved Revere bowl and the stubborn singing of the Canadian national anthem, while others at the banquet stared in disbelief (we knew the words!).

Sunday morning started off even slower than Saturday, but we were soon brought to full attention at brunch by Spartan Joe Morris' S/M demonstration, featuring the immolation of our own Tracy D. What little body hair Tracy had was up in smoke by the time Joe got through with him. Tracy must have been in a daze because he forgot to put his clothes back on until the demo was long over.

Congratulations to our ShipMate brothers and thanks for a great weekend!

From The Editor

by Jeff H.

Well, I was pleased with the response to the last issue of Columns, as I hope you were. Here, now, is my next issue. Unfortunately, it is a little late, for which I do apologize, but better late than not at all. I think that you will once again be pleased with the result.

I would like to make amends for an oversight in last issue's column titled "Winner's Circle". I failed to note that there was yet another winner in our area for a Pantheon of Leather Award, and that winner is Mr. Jose Ucles, Individual Award for Southeast Region.

I am again enclosing a calendar of up-coming events. If your club has an event that is not noted on the calendar, please let me know.

Until next time, play safe! In Brotherhood.

30th Anniversary. . .

Empire City M.C.

The men of *Empire City M.C.* did a great job in celebrating their 30th Anniversary "New York Style" - "Cruise New York" was a blast! Participants were treated throughout the weekend with drink tickets to the **SPIKE, EAGLE, and THE LURE**, where hot men seem to come out of the woodwork, the ceilings, the floors. . . . The 111th meeting of the **AMCC** was held Saturday afternoon. The highlight of the Anniversary was the cruise (on a boat) around New York Harbor on Saturday evening. Everyone was greeted with a glass of champagne provided by **Spartans M.C.** The evening was simply fantastic with ideal cruise weather, an open bar, a superb buffet dinner, wonderful dance music and hot & sexy men on both decks! Then there was the spectacular fire works display (was this really *ECMC's* doings?) Honors and awards were given to **Spartans M.C., Excelsior M.C., Centaur M.C.** and **Riders M.C.** of Boston. This is an event that will be talked about for years. What a fine tribute by one of the oldest leather clubs in the nation. Congratulations to *Empire City M.C.* on their 30th Anniversary.

Empire City Motorcycle Club was founded in October of 1964 and is a Not-for-Profit Corporation in the State of New York. It is the oldest ongoing gay organization east of the Rockies. Its members are male owner/operators of motorcycles & is currently comprised of 20 members and 4 pledges. At its first public Christmas Party in 1966, the Club began collecting toys for tots. This focus was narrowed in 1987 to respond to the needs of children with AIDS.

Leake & Watts Services is 165 years old and provided services to over 2,500 children & families in 1993. Last year there were 950 children in foster care, with over 100 teenagers on its Yonkers campus.

The **Specialized Foster Care Program** had 205 HIV-infected children being taken care of by nurturing families, 84 of which have been adopted since its inception in 1985.

Your gift of a toy is greatly appreciated.
