Respectfully submitted,

Charlie Savage
Recording Secretary, *pro tem* *

* Recording secretary *pro tem* apologizes for the lateness of these minutes and, begging your indulgence, offers this verbose excuse. The meeting was held in the barn's main room and the minutes were recorded at the table 'round which we met. Following the meeting, the cleanup commenced. The bathrooms were scoured (Kevin), barn windows cleaned (Jim), the dorm spruced up (Paul J., Evan, Leonard), furniture and stuff moved from the weightroom to pool house attic (Paul J.), pool vacuumed (Gary), hall beams, purlins and floor swept (Charlie) and floor mopped (Mel). To sweep and then mop the floor, all the benches went up on the tables. Alas, the minutes - still on the table - were obscured by the benches and only remembered when the secretary *pro tem* had returned to his home on West 26th Street. Thanks to Keith and to Mel, they were retrieved the day of the picnic and were transcribed that evening.

New Member Committee Report

An amendment to the constitution was submitted by the committee. It was read and discussed. A copy of the amendment is attached. In short the amendment will simplify membership requirements for new members and make the second meeting of each month a social meeting. The amendment will be read and discussed again at the next meeting (at Paul H's house) and be voted on at the following meeting (at Mel/Jose's house). Since the constitution requires a 2/3 majority of all **active members, not just members present** at a meeting, your vote is crucial. **If you do not plan to attend the meeting at Mel/Jose's on Saturday 16 September, please designate someone to vote as your proxy.** A proxy sheet you can use is attached. Please remember that this is an important vote for the entire club and your participation is needed. Failure to vote, either in person or by proxy, is tantamount to a negative vote.

Article II - Membership

1. Active Membership:

Active members shall be male owner/operators of motorcycles and shall have the right to vote on all club matters unless specifically denied elsewhere in this document. *Responsibilities of active members include attendance at six (6) or more business meetings and two (2) club sponsored rides during any preceding twelve (12) month period.* Failure to meet attendance requirements will result in suspension of voting privileges pending club action on exoneration, censure, probation, or expulsion.

Active membership may be retained by those who have been members a reasonable number of years although they no longer own motorcycles or are unable to operate one. Retention of active membership may be requested by the member and accepted by the club if a *2/3 majority* of those present vote yes.

2. Membership Applications:

Applicants for active membership must be *introduced by a member* in good standing. *The applicant must attend two (2) meetings and two (2) club-sponsored rides.* Upon fulfilling these requirements he will not attend a meeting at which his application will be considered. If a *2/3 majority* of those present vote yes, he will become an active member and, upon payment of dues, be entitled to all privileges of membership.

Article III - Meetings

1. Regular Meetings:

Regular membership meetings shall be held the first and third Wednesday of each month. The annual Christmas Party, Installation Dinner and Anniversary Dinner *combined, fulfill the regular membership meeting requirements for one of the business meetings scheduled.* *The first meeting will be for club business. The second meeting will be a social meeting.* In the event a meeting falls on a legal holiday or, should it be deemed by a *2/3* vote of those present at a regular membership meeting that a special situation exists, an alternative date may be designated.

1. Order of Business:

The order of business at *business* meetings shall be defined by Robert's Rules of Order.

Article IV - Officers and Directors

3. Duties of Officers:

f. The Recording Secretary shall be responsible for recording, maintaining and reporting the minutes of all *business* meetings and shall maintain a membership roster.

g. *Officers are required to meet separately (3) times per year, (for a total of nine (9) required meetings for membership), to further discuss club business, status and strategies. These meetings will be scheduled by the officers at agreed upon dates. The recording secretary shall be responsible for notifying all club members of the events of these meetings.*

Article V - Amendments

1. Amendments:

Any proposed amendment shall be submitted on writing at a regular *business* meeting. It shall be read and discussed at two consecutive *business meetings and called for a vote.* A vote of *2/3* of all active members in good standing shall be required to pass an amendment.

No outstanding committees

Unfinished Business:

Proposed Amendments were read and discussed. A continuing theme was the amendments having to be voted on as one package vs. individual elements. After a lively round of discussion, the proposers of the amendment ask that it be referred back to Committee until further refinements could be made to address some of the points raised at this meeting. However, it was asked that members review the proposed amendment and suggest changes that would satisfy their concerns.
