Dear Prospective Member,

Empire City Motorcycle Club, Inc. of New York City, was founded by a group of twelve motorcycle riders in October, 1964 as a motorcycle owner/rider club. We are the oldest ongoing gay all riding organization in the country and a vital part of the gay community in New York metropolitan area.

The members of Empire City M/C have established an enduring history of courtesy and goodwill on the road. We support our community through benevolent activities while supporting each other in the brotherhood and fellowship of motorcycling. Operating a motorcycle safely on the road today is an awesome responsibility; likewise, perpetuating an active, visible and respected motorcycle club is a responsibility each full and associate member accepts when they put on their colors.

Each of us has made a commitment to use our skills to support and maintain our organization. What you do for a living isn't as important as your involvement with the club with what needs to be done. We will make you feel welcome and in exchange we want you to contribute your skills in the most positive way possible.

We encourage you to complete this application and bring it to our next Open General Meeting. We'll do our best to make you feel welcome and who knows, maybe you'll make a new friend. We hold our Open General Meetings on the first Wednesday of each month at 8 PM (check our website for location and any possible schedule changes). We hope to see you there.

Thank you and please join us on the open road!

Sincerely,

The Brothers of Empire City M/C
