Dear Loki,

I am writing you on behalf of the members of the Empire City Motorcycle Club (the "club").

The club is aware that you have removed yourself as a member of the club's Facebook page, as well as 'unfriended' many, if not all of the club's members individually on Facebook. Please appreciate that many members found these actions hurtful, especially since we do not believe there was a reason that necessitated such unkind and unilateral gestures. Even if there was a reason, the club considers its members "family" and members of a family communicate with one another. Even so, you have chosen to cut off all means of contacting you except by letter. In addition to cutting off communication, we have noted your inexplicable absence from club meetings and calls these past few months.

Collectively, your actions and absences have led us to conclude that you no longer have any interest in the club or associating with its members. As such, we voted to discharge you from club membership at the August 2<sup>nd</sup> Open General Meeting. We only request that you peaceably return your ECMC back patch, ECMC front patch and AMCC patch, as well as other club property you have, if any. Upon receipt of these items we will pro-rate your membership dues as of August 2<sup>nd</sup> and return the balance to you. You can mail these items to the club's official address:

Empire City MC  
10 West 15<sup>th</sup> Street, Suite 609  
New York, New York 10011-6821

We wish you well in all your endeavors.

Sincerely,

Aaron Griffith  
ECMC Secretary
