

MEMBERSHIP INQUIRY

A little about us...

All of our members have bikes, and that's a requirement, along with being over 21, Gay, male, and licensed and insured to ride. We meet at least monthly to plan, ride, eat, drink, whatever. Other than that we keep it pretty simple, except for twice a year when we work a little – first, when we sponsor our Annual Bikers Picnic and Bike Christening, free to all bikers, and second, when we have our Annual Christmas Party to benefit the Leak and Watts Foster Care Program for Children.
