PEACE GENTLEMEN:

Thank you guys for sending the information about your club event. It is always good to get news from the Big Apple. Sorry that I will be unable to get to any of your events this year. Our scheduals just don't mesh. However I will be in New York between Wed. Sept 12 to Mon the 16. I am flying east to attend INFERNI XIII then return to Chicago for a few days before I get my ass to New York. I would be interested in getting together for a drink in one of the local watering holes. I am no stranger to New York for this will be my 31st visit in 20 years, but it will be my first visit in 5 years.

I look forward in hearing from you and also sharing a beer with you guys.

fraternally
Dick James
