

President-Elect Biden!

New York, Philadelphia, Washington, and nearly every city in these great United States celebrated the victory over tyranny as Joe Biden passed the 270 mark this week. It was a nail-biter and as you can see, very close in many states and by popular vote... that worries me greatly.

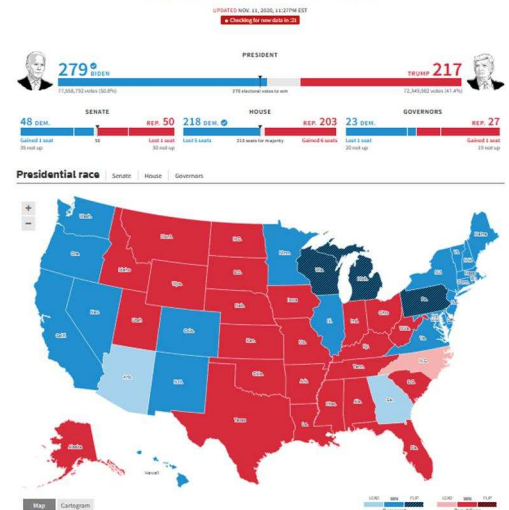

Just under half the U.S. population believed the ideals and behaviours of our so-called "commander"-in-chief are perfectly acceptable not only to a human adult, but the leader of a nation. That's very disturbing.

Don't throw away your bug-out bag for Canada just yet – the next six to ten election cycles will show which way this country is headed, and I fear it's for the worse as hate, closed-mindedness and racism are at all-time highs they haven't seen since the 50's. But enough with that for now, let's focus on our next target:

GEORGIA

The democrats must take both senate seats, or Mitch McConnell and the republicans who supported Trump will be the majority in the senate and will prevent President Biden from achieving his promises to the people. Even the Lincoln Project which is basically a bunch of republicans that didn't support Trump is siding with ushering in two democrats from Georgia into the senate. Our best chances are to contact everyone we know who lives in Georgia and encourage them to vote democrat in the run-off. We're not out of the woods just yet – but we're working on it!

Excelsior MC to Host Virtual Trim-A-Tree This Year

Excelsior MC hosts "Trim-A-Tree" the Friday prior to Empire City MC's Annual Holiday Party, and we've always cross-promoted our events, but this year is different. Because COVID-19 isn't just *still* with us, it's picking up again, both events will be "virtual" this year, utilising teleconferencing software to connect to our friends!

So, on Friday 4th December, join hosts C.B. Kirby, Candy Samples and the Brothers of Excelsior MC as they celebrate the season for an hour of music, prizes, entertainment and fun-fundraising to benefit New Alternatives NYC.

Help Excelsior MC meet their goal to raise \$5,000 for this fantastic organization. Give now!!

Rising Ground*

We're so disappointed that due to COVID-19, we are unable to host an in-person party this year, but here's what we're doing instead:

In lieu of a physical gathering, we are going to host a huge online Zoom party and instead of bringing a gift, we've asked Rising Ground to set up a "wish list" on Amazon of the things they desire to re-gift to the kids under their care.

Here is what you need to know:

Step 1: Make a donation directly to Rising Ground on Amazon.com by going here: <http://bit.ly/ECMC2020>

Step 2: Join the ECMC Zoom party at **6pm on 5th December 2020** by going here: <http://bit.ly/2020ECMC>

The members of Empire City MC will be there to hang out with everyone and we'll have some surprises for you too! If you do not have a computer with internet connection, please contact Chaz Antonelli at +1 646 827-6222 (voice only) to obtain a local telephone number so you can CALL IN to the party!

We really wish we could celebrate with everyone in person, but that is not safe to do at this time. Rising Ground is in dire need of gift cards for their children and teens, so please give what you can.

We sincerely wish you and yours all the best in 2021, an end to the political regime as well as end to the COVID-19 virus so we can all be together again in peace!
