Dear Members of Excelsior M.C.:

My best wishes for the success of "The Mr. New York Gay Cowboy Contest" this evening. Your efforts have truly touched me and I thank you very much for your support of Community Health Project.

1994 is proving to be a challenging year as more lesbians and gay men seek accessible and high quality health care and the number of our patients with HIV and AIDS continues to rise. Thankfully, there are people like you whose friendship and generosity support the work we do.

On behalf of Community Health Project, its staff, volunteers, board members, and those who will benefit directly from this evening -- our patients -- please accept my sincere appreciation.

Sincerely,

Dean J. LaBate
Executive Director

Dear Brothers and Friends,

Welcome to our first ever Mr. New York Gay Cowboy Contest. It is because of you that this event has been a great success. On behalf of myself and the entire membership of Excelsior M.C. I would like to thank you for coming and helping a very worthwhile charity, the Community Health Project.

Excelsior M.C. is a Leather/Levi club whose purpose is to join in brotherhood to establish ourselves in fraternal union as a not-for-profit social organization dedicated to excellence in all of our activities, be they for enjoyment or charity, in which we participate as a collective body.

We choose our charities very carefully. We emphasize charities that are of direct service to the Leather/Levi community as a whole. We firmly believe charity begins at home, with so many people in our community in need of special services, we try to look for charities that may not be mainstream, but must serve a very valuable service to our own members as well as a great deal of others.

Many of us have used, and continue to use, the services of the Community Health Project on an ongoing basis for our primary and secondary health resources. They have been there to help others when no one else seemed to care. I encourage all of you to use and continue to help support this great Charity.

In closing, I hope you all have a good time tonight and congratulations to the winner of Mr. New York Gay Cowboy.

Thank you,
Jerry McCormack
President 1993-1994
