Dear Dan,

In calculating the above, it seems that there is an extra party not accounted for in our payment of \$165.- to the Thunderbolts for 11 guests:

<u>PAID:</u>		
Magee	}	Received from you - \$45.00 (Cash)
Miller		
Lawrence		
Buchanan	(Cash)	Paid - 15.00
Mark Wind (2)	(Check)	Paid - 30.00
Petry (2)	(Check)	Paid - 30.00
<hr/>		
8 Guests	Total Rec'd	\$120.00

<u>UNPAID:</u>	
Bresnahan	\$ 15.00
Dickinson	15.00
Kooden (2)	30.00
<hr/>	
4 Guests Due	\$ 60.00
<hr/>	

So, as you see, we are charging for one extra party who probably either paid the T-Bolts directly, or else did not show up. Can you check this out before I go after those who still owe theirs?

Many thanks.
