

Special Registration Section

INFORMATION FOR ASSIGNMENT OF SPECIAL PLATES

Special plates are manufactured in most combinations of one to six letters or letters and numbers for motorcycles. Numbers may not be interspersed with letters, but may precede or follow the letters, and a small dash separates the numbers from the letters. No symbols are permitted between letters. A space may be used between letters, and is considered one character.

There will be no duplication of a special plate from one type of registration to another. A special plate issued to a passenger vehicle will not be issued to a commercial vehicle or motorcycle and vice versa.

Limited use motorcycles will not be allowed special plates.

If your motorcycle is currently registered in New York State, special plates may be issued in exchange for a fee of \$18.50 (\$2.00 exchange fee, \$15.00 service charge, \$1.50 for permanent reflectorized plates). The special plates will expire on April 30 of each year, the same expiration date as your current registration. Therefore, the \$15.00 service charge for special plates is an annual fee, paid at renewal in addition to the regular registration fee.

Special plates are assigned on a first come, first served basis. They are not kept in stock, but are ordered upon receipt of forms and fee, and a period of ten weeks is required to manufacture and issue them. If your motorcycle is not currently registered, or if your registration is about to expire, apply at your local Motor Vehicle office first for standard series plates, or renew your present plates.

Please complete the reverse side of this form and specify the plates in which you are interested. Return the completed application to us and your request will be given every consideration.

DO NOT SEND FEE WITH THIS APPLICATION.

An invitation with complete instructions will be mailed to you after a plate has been assigned.

REQUEST FOR SPECIAL PLATES – MOTORCYCLE

Mail this application to: Department of Motor Vehicles
Special Registration Section
The Governor Nelson A. Rockefeller
Empire State Plaza
Albany, New York 12228.
