RUSTY B. QUILTS — WILL ORGANIZE TITANS

It was business as usual at the regular meeting held on May 4th at the 1270 Lounge. Procedures were rather confusing in light of the newly adopted constitution and by-laws. A formal roll call was taken by the assistant road captain. Captain Joe K. further explained that under Article I of the by-laws, no full member shall miss two consecutive regular meetings. Those who fail to meet the new requirement will be called before the Executive Board. Joe further went on to say that a member will be excused for legitimate reasons such as work or illness. He stated that any member attending a run of another club will be credited attendance.

Full member Rusty B. handed in his resignation to the captain to reorganize the TITANS. The resignation was accepted with regret. Friends closest to Rusty explained that he always had the desire to do something about putting the TITANS on the "map" again in Boston. Rusty explained that he has eight people interested in forming the group and they are not presently members of Entre Nous nor the Vikings MC. Rusty said that this city does have room for a third club.

In other club action, club membership patches were issued to Bill W. and Bill F. of Philadelphia. Ed R. announced that all full members will

be receiving membership cards. The club will also be making up Entre Nous buttons for members to distribute when visiting other clubs in other cities, runs, etc. The Executive Board felt this would further extend our spirit of brotherhood throughout the country.

The next scheduled flea market is June 15, 1975; details to be announced. And the next regular meeting will be held on Sunday, June 1, 1975 at the 1270 Lounge at 2:00 pm.

Scott R., Bob F. and Bob C. were recently voted in as 'P' members by the club. 'P' member Ed H. was in an auto accident recently. Dick L. and a few other members went to the rescue of towing the car away from the scene of the accident.

Entre Nous will host the cocktail party at the Leif Erikson Run, which is hosted by the Vikings MC and Thunderbolts MC, it was voted by the club at the last meeting.

The Executive Board will hold its meeting on May 31st at 2:00 pm. The E-Board meetings are open. Contact Ed R. for transportation or directions to his "summer white house."

In other club action, Entre Nous will soon be asked to vote on a motion to accept Ms. Ann Maguire for honorary membership. Ms. Maguire is a staff aide to the Hon. Elaine Noble, a State representative and also an honorary member of Entre Nous. Ms. Maguire has been active in supporting the club.

STATUS REPORT ON AMCC '76 BICENTENNIAL

.....by Kelly

The many months of diligent planning by the AMCC '76 Bicentennial Run Committee is beginning to bear concrete results. With the selection of the run site (Atlantic City) along with hotel facilities (Sheraton-Deauville) to accommodate the approximately 1000 participants expected to attend this gala affair, the stage is now set to begin planning a detailed agenda.

Many of the AMCC clubs have already started planning individual projects to raise money to subsidize their own members' way to AMCC '76. With over a year's period of time remaining prior to this event the expense to be borne by individual members should be minimal. The cost for this run is expected to be less than \$300. per person, which may seem expensive at a first glance. However, under close scrutiny this is not the case at all. In fact, this is less than the cost of three out of town runs for most members. And if the AMCC clubs make an effort to keep club functions to a minimum during 1976 the cost of AMCC '76 should not

prove to be a financial burden to all.

The AMCC '76 delegation headed by Jon D. of the SMC-IAs which visited Atlantic City on April 18-19th reports that their mission was quite successful. After visiting all the hotels vying for the opportunity to host AMCC '76, the committee evaluated the pro's and con's of each site and came to the unanimous decision that the Sheraton-Deauville was the hotel best suited to host an affair of this magnitude. The management was very pleased at having had his hotel chosen and has promised his full support and cooperation.

The committee is now completing the intricate planning necessary to insure the success of the run. With the wheels of AMCC '76 now spinning at a very rapid rate, it is up to all of us to pitch in and keep up the momentum. Start planning now for one of the most fantastic club events ever given in the L/L scene.

SPRING SABBATH

...Al & Gerry

The start of Spring Sabbath took place at Boston's Logan Airport where 13 Entre Nous, Vikings and independents took flight to Washington D.C. Not too many escaped the electric eye where buzzers buzzed and flashers flashed constantly between run buttons, chains and assorted hardware. Sam J. of the Vikings made it through after showing his metal I.D. license which he received at Equinox.

Having cleared inspection, we boarded the plane and took off for D.C. A short hour later, we arrived and were whisked to Louie's where registration took place. The free drinks and light buffet started a most enjoyable weekend. Entre Nous was well represented but a head count at the bar was too difficult. Some remained at Louie's and others wandered on to the Eagle before heading for the After Hours party, which was hosted by SMC Lost Angles. Needless to say, there was plenty of booz, sex and assorted snacks.

The Saturday brunch at the Eagle was hosted by the Centaurs MC. After Bloody Mary eye-openers, we were treated to champagne and eggs benedict - a truly sumptuous brunch. BRAVO CENTAURS.

The afternoon scene took us to a local park where Spartans were hosts to a picnic and poker walk. An impromptu cocktail party was hosted by the Bucks MC which added to an enjoyable afternoon. After the picnic, many headed home for rest and 'relaxation' in anticipation of the cocktail party and dinner at Louie's later that evening. As usual, Louie's served a great Greek flavored dinner.

Following dinner we were treated to a great show - "Guys & Dolls" and the end result showed that the Druids really put it all together. The cast was excellent as was the show. And a

special mention of Terry W. for that show stopped of a number. It really brought the house down.

The scene then shifted to the After Hours party which the Vulcan MC hosted in bright yellow overlays, rubber booties and rubber swimming trunks. Truly a fun party - if you don't believe it, ask John H. (one of Entre Nous' newest members) who awoke Sunday morning after a "nights sleep" in the orgy room?!

Sunday brunch was held at Oscar's Eye complete with an L/L fashion show, followed by the awards ceremonies.

Farewell drinks were provided by Don B. at the D.C. Eagle where we bid our fond adieus to old acquaintences and the many new ones which we made.

Thanks DRUIDS for a great weekend. We have always enjoyed your city and more so during Spring Sabbath for a great time. We will be back.

FEEDBACK....

Kindly note: Contrary to what has been stated in the AMCC '76 Press Release dated April 4, 1975, and what was stated in the VANGUARDS column of WHEELS MAGAZINE of April, it should be made clear that Entre Nous had no prior knowledge nor any part in any pre-conceived arrangement (which there wasn't any) of a site selection for the bicentennial run. The NOUS LETTRE, which was distributed on Sunday, March 23rd after the AMCC '76 meeting, was pre-printed two weeks earlier. It was, therefore, impossible to have known the results of the meeting and the site selection. In fact, if one re-reads the March issue, the CLUB NEWS column indicated how Entre Nous went on record at its own club meeting to endorse AMCC nominees and its selection of a bicentennial run site. Atlantic City was not Entre Nous' original choice and our delegate was so instructed how to vote on the first ballot when he arrived at the AMCC meeting.

Distribution of the NOUS LETTRE was not held up for any reason.

And while on the subject as we are sure there are some doubting Thomases, the "AMCC '76 Atlantic City" motorcycle plates, which were pre-made and issued by SMC-Lost Angels during the meeting of the Bicentennial Committee on March 22nd, were distributed merely as a public relations method of promoting that site....and it so happened that the majority clubs within AMCC chose that site. We agree with Jack of the VANGUARDS, that someone would have been stuck with a lot of useless license plates had Atlantic City not been chosen.

A BIG THANKS
TO COLTS MC

...by Woody
and Chuck

We recently had the pleasure of meeting a new club on our vacation in the Sunshine State, Florida - the COLTS MC of the Miami/Fort Lauderdale area. Before leaving for Florida, Tad Currie of ATLANTIS MC suggested that if we wanted to meet a great group of guys, to look up Doug Collins, President of the COLTS MC.

We called Doug on Monday following our arrival and he informed us that the Club was having a meeting that evening which was closed, but would we be going to the Ramrod after, and if we were in Miami, to drop by and meet some of the members. Deciding we had nothing to lose, we made the trek from Hallandale to Miami and had little difficulty finding the bar. The warmth shown us by the bartender and owner made us quickly forget all the wrong turns getting there.

About 9:30 pm, the THEBANS came in and welcomed us to Miami and spent a few minutes shooting the shit. At ten o'clock, the COLTS came in: Doug; Jim, the vice-president; Ken, the secretary/treasurer; Gary, the club's historian and Fred. We soon realized that what Tad said was true. Having a few beers and discussing each other's club, time came to move on and Jim suggested The Rack.

The Ramrod is like our own Herbie's Ramrod but larger. Enjoying a few more drinks and checking out the scene, Doug suggested we move on to Bachelors II for just a few more....glug. We had to beg off after Bachelors II when the COLTS suggested the Warehouse for more drinks. Promising we would call and see them again, we managed to find our way back to Hallandale.

It seemed no matter where we went after that, we ran into one of our brothers from

the COLTS. We met Fred a few times at the Saloon and Don, Jim, and Virgil (their Sergeant at Arms) at the Everglades in Ft. Lauderdale. It was back to the Ramrod for the Tuesday night movie, which in our opinion, was a waste of time. However, Gary, the small cute and innocent one, had his ear bent by Chuck for about an hour. Most of the club was there and a fine evening was enjoyed by all. Doug invited us to his home for dinner on Tuesday evening. Here we met Roger, another COLT who was a blond bombshell from Belgium. Doug and Roger were super hosts, serving us an excellent meal and an endless supply of drinks. We also learned that we both would be judging a leather/levi contest on Wednesday evening at Bachelors II.

After dinner we met Jim and then moved on to the Ramrod for a great evening of getting to know the COLTS even better.

Wednesday night came and the contest was wild. We can't remember the winners, but they were all groovy numbers. We hated to see that night end as our departure for Boston was to be on the next day. Doug paid us a compliment we will never forget. He said he felt he was losing two of his members.

All we can say is thanks to all of you and hope to see you again soon. Congratulations to the COLTS MC, one of the finest and friendliest clubs in Florida.

POSTSCRIPTS ---

Our diligent spies report that the Vikings MC are busily practising out on the softball field. This does not worry our championship team, for we believe the Vikings should have an even chance before attempting to capture that neat looking trophy cup now in the custody of Entre Nous.

Sam J., the newly-elected vice-president of AMCC and member of the Vikings MC is now serving as that club's secretary filling in an unexpired term vacancy.

Through the courtesy of WHEELS MAGAZINE we learned that the KNIGHTS d'ORLEANS, one of the clubs that hosted Mardi Gras festivities, was disbanded on April 10th.

Bob White is alive and well in Provincetown. He recently celebrated the grand opening of Bob White's Lounge at the Town House, which promises to be very active throughout the coming resort season. And we are happy to have Dick & Horace as patron advertisers. They welcome you as always to stop in and say hello. Provincetown is getting ready for a very busy season in light of early reservations, bicentennial buffs and spring weekenders who feel like busting out from the city.

We agree with Kelly of the Druids MC (see article on AMCC '76 status) that clubs should be thinking about fund-raising projects for the coming months to underwrite expenses to the bicentennial run in Atlantic City next year. In this manner we will be able to see several club members there. Perhaps, a separate bicentennial run fund could be established for that purpose.

With regret, we hate to see Rusty leave the club. However, we wish him good luck in re-organizing TITANS.

Thanks Joe K. for the complimentary brunch following our last meeting

and, by the way, which TFL will we have the pleasure of meeting next month?

Attention all 'P' members and those who have been caught red-faced for mouthing and pretending to know the lyrics of our theme song. They are:

I want to be happy
But I won't be happy
'til I make you Entre Nous
Life's really worth living
When we are mirth giving
Why can't we give some to you

When skies are grey
And you say you are blue
We'll send the sun smiling through
'cause

We want to be happy
But we won't be happy
'til we make you Entre Nous

Ed R. and Roy V. will be attending the Mr. Levi Contest at the Spike to present the N.Y. Levi Club with our club's banner.

And speaking of banners, the club will replace the faded ones now hanging in several N.Y. and Washington bars.

Congratulations to George G. who won the farthest distance by bike trophy at Dogwood '75 hosted by the Atlantis MC in Georgia. George logged 2550 miles round trip from Cape Cod. He said the bike events had to be cancelled there in light of heavy rains which plagued the weekend run. Otherwise, he said that he had a FANTASTIC time and thanks the Atlantis MC for their hospitality. We believe that Entre Nous has captured a trophy or award at every run given on the eastern seaboard thus far this year. But then again, we try harder and really enjoy getting to see our brothers in other cities.

That's it for now. Remember, the new meeting rules require that all full members can't miss two consecutive meetings. And, Jim C. reminds everyone to catch up on their dues.

NEXT REGULAR MEETING OF ENTRE NOUS is SUNDAY, JUNE 1, 1975, 2:00 PM at the 1270 Lounge, Boston.
