## xmas in July

Entre Nous' annual Christmas in July Party will take place this year on July 11-13 which will include a party given by the VIKINGS MC on Friday, a party given by Entre Nous on Saturday at the home of David S. and finally, the first official softball game between Entre Nous and the Vikings on Sunday of that weekend. All full and associate members of Entre Nous are invited to attend and each member is allowed one guest.

In other club developments, the Assistant Road Captain announced the cancellation of the June Flea Market until September of this year. Roy V. said this would provide an opportunity for members to collect items for sale during the summer.

An historical sub-committee was formed as part of the Constitution & By-law Committee to take on the task of writing a complete history of Entre Nous since its formation on September 9, 1970. Assigned to that sub-committee are Dick L., Rod H., Jose G. and David S. in addition to Ed R., Paul C. and Al C. who make up the Constitution and By-law Committee. The appointments were announced by the Executive Board at the last meeting on June 1st.

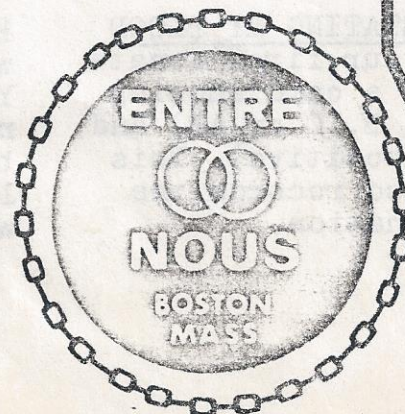

With regret the Club acknowledged the resignations of Kevin L. and Lorin J. for personal reasons.

In other action, the Club voted Ms. Ann Maguire honorary membership in Entre Nous. Also, James S., a Vulcan from Washington D.C., was made an associate of the Club. Full membership was granted to Ed. H. and Bill P. on a vote by the membership upon the recommendation of the Membership Committee.

It was announced to the Club by the Executive Board that the TITANS MC of Boston held their first organization meeting on June 1st. The Club voted to send Kusty B. of the Titans a letter of congratulations and best wishes on the formation of new group.

The next regular meeting of Entre Nous will be held on Tuesday evening, July 8, 1975, 8:00 pm at the home of club captain, Joe K.

# JOIN THE BLOODLINE

...by Rod H.

There is a bond that links all men and women in the world so closely and intimately, that every difference of color, religious belief and cultural heritage is insignificant beside it. Never varying in temperature more than five or six degrees, composed of 55 percent water, the life stream of blood runs in the veins of every member of the human race which proves that the family of man is a reality. In time of need where a single human life can be saved by another's blood, it is necessary to know some facts about blood donors and the procedures involved.

WHO CAN GIVE BLOOD? Anyone in good health weighing at least 110 lbs. and age 18 or over. Anyone 66 years or older must present a written consent from their personal physician dated two weeks within donation.

HOW OFTEN MAY I GIVE BLOOD? Every 8 weeks up to 5 times within a 12-month period.

WHAT DOES THE RED CROSS DO BEFORE I DONATE? Each donor is asked about his medical history, such as past illnesses. Blood pressure, temperature, pulse, weight and hemoglobin determinations are taken by registered nurses.

MAY I EAT BEFORE DONATIONS? Yes, you should eat regular meals, but refrain from fried and fatty foods such as butter, eggs, cream, mayonnaise, etc. during the four hours prior to your donation.

DO I OBTAIN A CARD STATING MY BLOOD TYPE? Yes, after your first donation you will receive a card showing your blood group (A, B, O or AB) and type (Rh negative or positive). This wallet-sized card also records the date and place of donation.

HOW CAN MY BLOOD DONATION SAVE FOUR LIVES? Your pint of blood is not always transferred in its "whole" blood state. Blood is also separated into several components such as plasma, used in the treatment of burns and shock. White cells and platelets are clotting agents used in the treatment of leukemia and other marrow diseases. Red cells are used for the treatment of anemia.

WHO IS ELIGIBLE TO RECEIVE BLOOD? The Massachusetts Red Cross Blood Program will provide the total blood needs for every hospitalized patient in the State regardless of race, color, creed or place of residence. There is no compulsory requirement and no eligibility requirement except that of need. When blood is needed, there are no charges for the blood itself. However, most hospitals charge the patient for laboratory and administrative costs in connection with blood transfusions.

HOW CAN A MASS. RESIDENT HELP A CLOSE RELATIVE WHO IS HOSPITALIZED AND USED BLOOD OUTSIDE OF THE STATE?

If a Massachusetts resident has donated to the Mass. Red Cross Blood Program within the past 12 months, all whole blood and blood components used by his immediate family wherever they are hospitalized within the U.S. and Canada, will be replaced through the Mass. Red Cross Blood Program.

WHAT ABOUT A NON-RESIDENT WHO DONATES TO THE MASS. RED CROSS BLOOD PROGRAM?

A non-resident who donates to this program at least once a year is eligible for replacement of all blood and blood components used by him/her members of his/her immediate family when hospitalized outside of Mass.

When you join the Red Cross Bloodline, you join a proud people who share a cause; preserving life. You help to fill a daily patient's need in Mass. for over 1300 pints of blood. One pint of your blood gives life to as many as four people. That's what the Bloodline is all about.

(Bloodline next page)

## BLOODLINE (cont.)

Volunteers like you make it their duty to keep the Red Cross Bloodline alive.

The success of this program in providing the blood needs for the Commonwealth of Massachusetts depends on your combined and continued donations to "replenish" the supply. Let's build the bloodline together. Donate to the Entre Nous Blood Bank!:

# NORTHERN LIGHTS M.C.

SECOND ANNIVERSARY

....by Al and Gerry

Northern Lighters celebrated their Second Anniversary in Montreal on May 23-25th. Representing Entre Nous were George G., David S., Dick LeM. and yours truly, Al C. and Gerry V.

Upon our arrival on Friday p.m. we were confronted with an unusually hot summer's night. The temperature hung around 83° (leave it to the French to make things hot). We cooled our heels and other parts of the anatomy at the Neptune Tavern where registration was held. The tavern was crowded and the overflow drifted out into the streets. We encountered many Long Island Spuds who were simultaneously celebrating their second anniversary with the Northern Lights.

After the tavern closed at midnight, we had a choice of either visiting Bud's Bar or the new Cruiser Bar. Why deny the pleasures of life? We took in both. Fun and frolic prevailed until three in the morning.

Montreal is truly a beautiful city. We took in a three-hour bus tour on Saturday afternoon. After an enjoyable tour which ended up at the Neptune, we departed in different directions knowing well that we would all meet at the cocktail party hosted by MC KEMO. These guys really know how to host a party since we were juggling drinks several at a time. Following the party, we were treated to an enjoyable sit down dinner with bottomless glasses of wine. A great show with an Olympic theme soon followed dinner which then lead into some discotheque.

After "bumping" our bods around for an hour, we decided to once again try the Cruiser Bar. A hectic day caught up with us so it was back to our host's apartment. We wish to extend our personal thanks to Henri R. who was a gracious host. Our accommodations were great and centrally located.

On Sunday morning, the LANYARDS opened our eyes with "screws" which were potent enough. If you survived the drinks, brunch awaited those who were able to struggle to the table.

The awarding of appreciation plaques followed the brunch. The Northern Lights received banners from the LANYARDS, L.I. SPUDS, the NEW YORK LEVI CLUB and the SWORDS.

Another cocktail party was given by the TRIDENT CLUB which wiped most of us out. Fortunately, we managed to get back to the apartment of our host where we collapsed for the night.

We left Montreal on Monday, vowing that we would be back again soon. In a few weeks we will be back in Montreal to again say thanks to the Northern Lights and all the friendly people we met.

And how do you say it? Voulez vous coucher avec moi.....

A LONG ISLAND VISIT.....

....by Al & Gerry

During the recent Northern Lights Anniversary, a few of the L.I. Spuds hearing that we had a free weekend, extended an invitation to visit Long Island, N.Y. On a Friday evening, we took off for Amityville along with our mascots, Napoleon and Schnappsie. We arrived there to be greeted by Paul O. and Mel C. and found our pets to be greeted by Butch, the resident french poodle. After the initial (sniff, sniff) acquaintance by all three dogs, we humans relaxed over a few drinks. Paul & Mel then suggested a visit to the local pub which had recently opened. A short drive brought us to a bar named "Between Us," which we immediately renamed Entre Nous. It was not an L/L bar but we found the clientele very friendly. Knowing we would be taking a jaunt to Fire Island on the following day, we didn't stay too long at the bar and soon decided to head back to Paul & Mel's home.

After a ferry ride to Cherry Grove in the morning, we were greeted by George S. who invited us to his retreat. We spent a leisurely day taking in all the sights (yum) including "The Rack" - so active in mid-afternoon.

Cocktail time arrived and so did the 5:30 ferry which included among its passengers, Paul & Mel along with Russ E. of the Spuds and Spud Associate Tom V. After the traditional cocktail hour(s), we wine and dined on George S.' culinary expertise (good vittles). Following a superb cuisine, we went to a nearby home to take in a flick party (hee, hee). Alas, we were committed to return to the mainland as Paul & Mel had invites for us to attend a Sunday brunch. We soon realized that weekend are all too short when you're enjoying the company of good friends and having a great time.

It was soon off to Manhattan after the three dogs said goodbye (sniff, sniff again), as we arrived

The annual election of the Boston Chapter of the Vulcan RC took place on June 14th at the home of David S. of Entre Nous. The meeting was scheduled for 3pm to be followed by a cook-out; however, because of threatening skies, the cook-out was held first and as usual, Rick N. provided a bouncing array of hot dogs, hamburgers, salads and baked ham. It gave everyone a chance to become acquainted as there were many independents present. Beer and booze were plentiful which compensated for the lack of sunshine.

The elections finally took place with the following results:

Rubber Tea Bag	- Rick Nelson
Rubber Ball	- Dennis Blute
Rubbin Off	- Mike Markowski
Rubber Hose	- Ken Strom
Rubber Bubble	- Roger Leroy

Bob Anthony was designated as Rubber Bubble's assistant to be known as "Rub-Bub." Jim C. of Entre Nous volunteered his services as editor of "Dunking the Issue," and yours truly, the reporters of this column will give him a hand with his first publication.

The new E-Board of the Boston Chapter welcomes any help they can get to start the ball bouncing. Congratulations to the newly-elected officers who can be assured that the local clubs will back them all the way.

The next meeting has been left open pending the arrival of Gary T., the newly-elected President of the Washington Chapter (headquarters) who will be visiting Boston in July.

p.s. (no comment by the typist) We hear that an EN member from the Cape area has a pink bedroom. Isn't that carrying Entre Nous "pink" a bit much? For the name of the member, see these reporters or Bob A.....or ask...well.

at the brunch in time for bloody's and screw's. The brunch was hosted by Frank P. and Joe D., associates of Iron Cross. We saw several familiar faces and the guests included a contingent from Iron Cross of Montreal. Our mini-run weekend was coming to a quick end as we knew we had to get back to Bean Town.

We wish to extend our personal thanks to Paul & Mel and the other Spuds who made our weekend an entertaining one. A special thanks to George S. and our congratulations on his appointment as the new President of the L.I. Spuds MC. Good luck to George and his new Executive Board.

"In Appreciation to Dick & Horace from the Thunderbolts MC for their friendship and support" was about how the plaque read which was presented at a smart after hours party by Jack C. of the T-Bolts. About ten members arrived in Provincetown as personal house guests of Dick & Horace, associate members of Entre Nous. Sunshine, good times and new friends greeted the Thunderbolts as they took in the sights along this quaint, rustic fishing town on old Cape Cod. Needless to say, the party lasted all night long as some even got a chance between sessions to catch the early morning sun rise and the fishermen taking their boats to sea for the day's catch.

On the following day, T-Bolt members paid a courtesy call on Paul C. at Sea Drift before leaving for Connecticut.
