6TH ANNIVERSARY EDITION

November, 1976

ENTRE NOUS observes its Sixth Anniversary during the Provincetown '76 Run with approximately 175 club members and independents taking part in the weekend festivities.

The Club was founded on September 9, 1970 by a handful of spirited individuals with a common bond for brotherhood. Mike Cain, now Captain Emeritus, served as the club's captain to 1974, then succeeded by Joe Kirby until 1976. ENTRE NOUS was incorporated on July 15, 1976. Joe has the distinction of being the club's first president under the Corporation.

Today ENTRE NOUS has approximately 45 active members and over 100 associates throughout the U.S., Canada and Europe. Some 22 clubs throughout the country have presented their colours to ENTRE NOUS (listed elsewhere in this issue) down through its six-year history.

ENTRE NOUS is actively engaged in fund-raising projects for worthwhile charitable programs. To this end, the Speaker of the House of the Commonwealth of Massachusetts cited ENTRE NOUS in 1975 for its outstanding contributions through several greater Boston community agencies inspired by the Hon. Elaine Noble, who is an Honorary Member of the Club.

Provincetown provides the natural setting for the Sixth Anniversary celebration, especially during the American Bicentennial Year. It was in this quaint and rustic fishing village where the Pilgrims first landed and signed the Mayflower Compact, the first document in the western hemisphere to give birth to American democracy. It was also here

not so long ago when the Provincetown Board of Selectmen endorsed gay rights legislation. It is a unique community of many life styles. The various townspeople and businessmen have made it possible for ENTRE NOUS and its guests to enjoy this weekend anniversary observance. The Provincetown '76 Run Committee is congratulated for every effort into the making of a successful run.

Club Night

ENTRE NOUS established the Club Night to fall on the third Thursday of each month, it was announced by the Captain following approval of the membership at its last meeting. Club Nights will be held at the new Boston Eagle where ENTRE NOUS will staff the bar for the leather/levi crowd.

The first Club Night opened with success on October 21st with the grand prize, a CB360T Honda to be raffled and drawn during the EQUINOX Run next March. (March 18-20, 1977). There were several prizes given during the course of the evening. Sandwiches were also provided.

The next Club night will fall on November 18th. In other Club action, the date of the Annual Christmas Party is set for Saturday, December 11, 1976. The next club meeting will fall on Sunday, November 21st at the 1270, 2:00 pm with a brunch to be given prior to the meet.

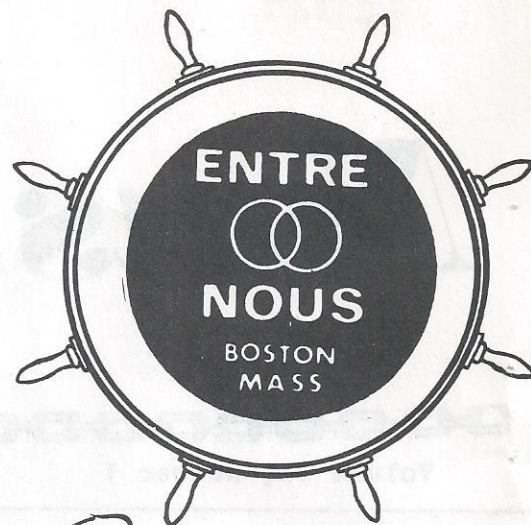

The success of Club Night is attributed to the efforts of Ed R. and Dennis B., the road captain and assistant road captain, respectively.

The Honda bike will be displayed in the Boston Eagle until the drawing in March.

ONTO 9+

Club members Dennis, Bob, Dick, Bob LaP., Chuck, Woody met Paul and George at the clubhouse of the NINE PLUS CLUB Friday night, Oct. 8th as a rendezvous point for a wild weekend in the Big Apple. President Lou of NINE PLUS greeted the ENTRE NOUS bunch with cocktail warm-ups.

After settling down with housing assignments and city bearings out of the way, several guys disappeared in different directions for the nearest major watering holes. The Captain didn't take long striking up conversation with a dude in the SPIKE. Bob A. slipped off into the EAGLE. And for others, the watering holes included the BADLANDS, RAMROD and the NINE PLUS CLUB. It soon got around on the West side that Boston invaded New York and the greatest hospitality was very much in evidence.

Good night's action found everyone getting up late in the morning and barely getting to BEAU GESTE on time for brunch and drinks where the owner, Chuck, who is also a NINE PLUS member, greeted the red-eyed clan from ENTRE NOUS. Bob A. was still talking about the night before with a big grin on his face. Dennis was gobbling down hot chili and salad. The Captain was in love again with the proprietor's favorite bartender. It was then back to the West side and the RAMROD on that Saturday afternoon. It was soon time to get ready for the dinner given in honor of ENTRE NOUS by the brotherhood of NINE PLUS. While sipping cocktails (or was it glugging?), Ed, Roy, Jim and Robbie arrived to join us for a dinner of lasagna, spinach salad, hot Italian sausage and wine. Even Joolia Childs was there. The pouring of cocktails continued. With the curiosity of a Saturday night in New York approaching, the gang once again split in several directions. The Captain slipped off with his new found friend. Chuck & Woody found T.J. (or was it the other way 'round). Anyway, the ANVIL was not to be passed by. The lines of people waiting to get in during the wee hours of the morning did not stop our gang. Wearing that overlay came in handy. Club

members were ushered right in. After all, Mike C. was easily recognized ahead of the line of guys waiting lustfully to get in.

Sunday was leisurely enjoyed. The guys at NINE PLUS provided a great batch of eye-openers and a superb brunch. Their movie productions, West Side Story and Sound of Music brought lots of laughs, especially for those who had never seen those flicks before. Afternoon farewell drinks at NINE PLUS CLUB, SPIKE, EAGLE, RAMROD and BADLANDS were too brief for those who headed back by train to Bean Towne.

Thanks again to NINE PLUS CLUB for the weekend invasion invitation. We enjoyed the break to get away and enjoy your fine hospitality, certainly worthy of your spirit of brotherhood.

LANYARDS

Jim Macomber succeeds Joe Klein as the new president of the LANYARDS. Joe was elected vice-president; Gordon Abercrombre, treasurer; Hugh Douglas, secretary; Joe Stauhos, road captain; Tim Bucci, recording secretary, and Roger Pierre, membership director.

The LANYARDS arrived en masse in support of the ROCHESTER RAMS run which was held over the Halloween weekend.

TUCK WINS

The DRUIDS MC elected Lou Tuck as their new president. Lou is an associate of ENTRE NOUS. In a letter to Lou, ENTRE NOUS' captain called for a more closer relationship with the "sister" club in the near future.

ON THE RUN

On a New England tour of favorite club hangouts, Paul C. met some members of the newly-formed CONNECTICUT COPPERHEADS at a club night held by the THUNDERBOLTS MC in the Quarry Bar on October 2nd. A T-BOLT regular meeting was held on the following day at the home of Stan and Gary. We took special note of a special new room to be created at that homestead. Perhaps a new novel will be forthcoming with experiences from that room. The adventures of Captain Rabbit? Who knows what lurks in the secluded hills of Middlebury? Stayed tuned.

THE SPEARHEAD

.....by Al
and Gerry

Having attended SPEARHEAD ROUNDUP last year, we were elated to be able to go back for their OLYMPIAD 1976. For those who have never been to Toronto, it is a great city and the guys there are quite friendly. Seeing (and feeling) is believing.

On Friday we registered at the War Amps Hall and were greeted by many acquaintances which we have made on several previous trips to Toronto. The usual fumbling through the run envelope to find our itinerary for the weekend and our run pin also included the Olympiad Medallion with the familiar torch bearer. Drinks and a buffet with more hellos followed. At midnight, we were off to the hot after hours spot for a party of fun and games and more drinks. They were testing our endurance to see if we were trained for the Olympiad weekend.

Saturday morning, we were treated to eye-openers and a hearty brunch. We were then allowed ample time for sight-seeing and messing around until cocktail time at 7:00 pm. The LANYARDS hosted the cocktail party before dinner. What seemed like a mild concoction suddenly hit us like a "shot put" to the head. An ample ham dinner was served followed by a hilarious show depicting the rigors of Olympic training. The show was rated X and not intended for TV viewing.

Our next stop was one of the local discos before crawling on to the after hours party. We must admit that we not only crawled in, but crawled out. The strain of the Olympics was taking its toll. Sunday afternoon found us at a local baths where we could swim, dance or just relax and savor sandwiches and beverage just like they did in ancient Grecian times.

At 6:30 pm we arrived at the docks for the traditional boat ride on the Mariposa Belle. Shortly after leaving dockside, we encountered a motor launch called "Quick Trick" bearing a TRIDENT banner. We were then boarded by King Neptune and Queen Aquatana. The TRIDENTS had arrived to host their cocktail party which was a potent punch.

The boat cruise was a beautiful trip, seeing Toronto's skyline at night was most impressive. The remainder of the trip consisted of beer, dancing and a sumptuous buffet. At midnight the boat docked and the leather and levi scattered in all directions to their favorite spots.

On Monday, brunch was held at the St. Charles. Bloodies, screws and Quiche Lorraine certainly hit the spot. The following awards were presented:

Mr. ROUNDUP: Adam Riley representing NINE PLUS

Best Club Part: LANYARDS
(less than 20)

Best Club Part: NINE PLUS CLUB
(more than 20)

Long Distance: Peter O'Donoghue
SCMC, Melbourne

Long Distance: Terry M. Boston
(Bike)

Willing Hands: Frank T. SPEARHEAD

Athletic Supporter: Rick T.

After awards and extinguishing of the Olympic flame, the traditional beer bash was held at the Parkside Tavern. If you haven't experienced after ROUNDUP, be sure to attend the next SPEARHEAD run.

All too soon, flight time came and with much regret we left a city which has become tops on our list. A special thanks to Joe and Tim of the LANYARDS for being our gracious hosts. And thanks to SPEARHEAD for a great run.

EQUINOX '77: March 18-20, 1977

Club Address

FROM THE CAPTAIN:

It has been two months since I was elected Captain and President of Entre Nous Incorporated. The newly-elected Executive Board has been extremely cooperative in taking on the respective duties of office. My personal thanks are extended to the officers of Entre Nous for their time and efforts in making Provincetown '76 possible.

We are finding out in short time that an efficiently run administration takes up a great deal of personal energy from all the members of the Club. Entre Nous is what we make it to be and what direction we all wish to pursue.

In just two short months we have established club night, produced P-town, purchased a CB360T Honda for the raffle, set the Annual Christmas Party, established Equinox, visited Nine Plus Club, hosted a cocktail party for Rochester Rams, organized the trip to L.I. Spuds Run, visited the Thunderbolts MC, presented colours to the Panthers in Cologne, collected 1976-77 pledges for the Run Fund, sorted out the Associate Membership Roster; all these things carried out by those dedicated members who want to do things actively.

In planning these things, I wish to thank Ed R. for club night, Bob A. for the posters, Chuck for PR.....Jim, Al and Woody for P'town registration, Dennis for gathering the flock for NINE PLUS trip.....Bob E. for taking over the NOUS LETTRE.....Joe K. for making it possible to have club night at the Boston Eagle.....Al and Gerry for the excellent PR work in Germany and Canada, Bob E., Art T. and Jim K. for their PR work in Europe.....Woody for straightening out the associate list for 1977... Ray and Chuck for P-town entertainment, Tom and Ray for the party to be held during the SPUDS run next month..... Believe me guys, it has made my new job less difficult.

In recognition of achievements made each month by a member, I will select an outstanding member of the month for "The Captain's Dinner" as my guest.
