WEDNESDAY  
MARCH 21

**NO FAVORITISM SHOWN!** While it's true, four of our very oldest members did get bumped to first class in the plane, we had nothing to do with it. We asked a stewardess what happened and she said, "They looked so old, we didn't know how long they had. By putting them up front, they got here a little sooner than everyone else." **HAVE YOU SEEN THOSE BUTTONS "I LOVE S/M"?** Sorry Matthew, it doesn't mean "I like Short Men", but, check out the trailer the Conquistadors have placed on the premises.

What a great place to hang around! **SEE THE TREASURER** about your tickets for Disney, etc. **DROP IN DINNER** being served to all run participants, check in and don't lose your ticket! **THE FIRST COCKTAIL** party of the run will be held in the hospitality suite starting at 10PM, hosted by the Conquistadors! Be there or we talk about you! **THE P-HOUSE SPECIALS** for Wednesday: as always, Happy Hour 'til 8PM, 9:30 in the Piano lounge. (First bar to open is poolside, 10:30AM.) From 9PM-1AM, well drinks are 75 cents, call liquors, \$1.00. Just a few cents less than our home bar. The Footlight Theater has two presentations for you. At 10:30PM, a talent show. At midnite, a Hot Buns contest. Rumor has it, Bill Conley will fly in, hoping to capture the 'big' prize. Below is the 'DAMRON' listing for Orlando, but, check before using, there have been changes. **CLUB MEMBERS:** Show your overlay if you visit other bars!

GENERAL  
INFO

WELCOME TO THE 'P-House'! Not having Governor Dukie, there is still Happy Hour every day! Pay next to nothing (\$1. beer or well drink, \$1.50 call liquor,) until 8:00PM. Happy Hour happens a little later in the piano bar--order cheap there until 9:30PM! Drink specials will be listed on each days events.

HERE IS A GENERAL rundown of the schedule: On Wenesday, after your drop-by dinner at the Dugout Cafe we will be having a welcoming cocktail party hosted by our Florida Brothers, The Conquistadors who have been extra-special to us in helping with the planning of the run. Like all of our cocktail parties, it will be offered in the hospitality suite. This will be a good time to pin down our Treasurer "Al" about your ticket for Epcot, Disney or MGM. (The Captain has a discount slip for Seaworld. Who likes fish?) **THURSDAY:** We left today 'open' to allow you to visit the nearby theme parks. Please check by the hospital-ity suite when leaving, we will try to match you with rides. The only events scheduled here are cocktail parties at 9 and at 11PM. See the Thursday sheet for details. **FRIDAY:** More of our Florida friends will be joining us! Most of the day is free to see what you missed yesterday, but, be back by about 6PM. We will be having a barbecue back at the Full Moon Saloon. Show up after 7PM and go hungry! Again, cocktail parties at 9 and 11PM. Daily sheet has details. **SATURDAY:** Starts with an eyeopener party at 10AM; pre-dinner cocktails at 6PM; Banquet at 7PM sharp; cocktails at 11PM. **SUNDAY:** Don't miss the Road Captains Revenge and the Brunch!

Please wear your run button everywhere (except at Disney World, we don't want to know their lawyers.) You may not invite anyone not on the run to a cocktail party--we must enforce this rule. If you wish to bring a guest to a meal, see our treasurer and pay the freight. If you need help with anything at all, anytime during the run, please see an Entre Nous member. We are all here to serve you.

IF YOU CAN'T FIND ENOUGH BOOZE HERE, there are lots more bars in Orlando, but, please don;t get tanked here and drive away. This is not Massachusetts! They will arrest you. They will jail you! If the judge says 'six months' you do six months! This is not Massachusetts! Take a cab if you have been, or will be, drinking booze! Please.

THURSDAY  
MARCH 22

GET STARTED EARLY for whatever park you're visiting. Be sure to check the hospitality suite to see about sharing rides, etc. We have purposely left today's schedule wide open to allow you to explore. IF THE POOL IS YOUR IDEA OF EXPLORING, enjoy! The pool bar opens at 10:30AM, piano bar by 4PM. When you stumble

back to the P-House, Entre Nous' Captain Bob Kavin cordially invites you for cocktails in the hospitality suite at 9PM. These are offered in honor of Joe Marengo, of the Bucks, M.C., President of the A.M.C.C.--the Atlantic Motorcycle Coordinating Council--to which Entre Nous belongs! Also attending our run and receiving you at the party is Joe's other half, the Grand TFL. At 11PM, our Boston brothers, and fellow AMCC members, the Vikings, M.C. invite you for their 'Tidy Bowl' cocktails, also at the hospitality suite. We all thank David (Iron Cross/Florida) for the VCR, etc. **BUTTONS, TICKETS, etc.**, are being sold to benefit Boston club charity, Leather & Lace. Every cent benefits PWAs--not a penny for administration--and our quota of tickets is 100 per member. Please help (you might win a motorcycle or a big-screen TV.) **FROM 9PM-1AM** the P-House special is twenty-five cent well drinks (\$1. beer.) That's cheap enough for the Lieutenant to buy a round! We asked Mitch how he was doing without Michael. He said, "I'm as faithful as ever." "That's what I'm afraid of!" was Michael's reply. Check out the Footlight Theater tonite. Drag shows at 10 and 11:30PM. Who hid Mother's rubber chicken? **Get Ready** for the Friday arrivals--This place is getting wild (Boston Temperature Wednesday nite 28--not much snow.)

FRIDAY  
MARCH 23

**WELCOME TO DAY THREE.** Please see Mitch if you're going to one of the theme parks today. If you are and you can provide a ride or if you need one please do this as soon as you're awake. **ENTRE NOUS MEMBERS** must attend a meeting at the patio outside the **FULL MOON SALOON**. Members you voted on this time to meet at the last meeting. Full members of guest clubs are welcome to attend. **EVERYONE COME** to the **FULL MOON SALOON** at 6:00 for the **barbecue dinner** and remember your green ticket. The P-house happy hour today will be from 7:00 to 9:30 at the pool and piano bars. At 9:00 the **SEACOAST ADVENTURERS** invite you to attend a cocktail party in the hospitality room. At 11:00 the **GDI'S of ORLANDO** would like to invite you to a cocktail party also held in the hospitality room. **Matt Donoghue** will become the new **fluff** tonight, passed down to him by the **SNOW QUEEN**. (the Snow Queen turning someone into Fluff, sounds like a Disney movie to me) That reminds me, **BOB KAVIN** was seen at **DISNEY WORLD** pushing young children out of his way just so he could have his turn with **GOOFY**. Then I understand that Bob went around **breaking rides** when he thought the line was too long. Speaking of **Disney World**, **MATT DONOGHUE MOONED** the theme park and scared Minnie mouse half to death, however I understand that the **seven dwarf's** looked interested. Be sure to check out the lovely **LADIES** at the **Footlight theater** at 10:00 and at 12:00. It sure is **heating up** around here I for one don't care what its doing in **BOSTON**.
